History Of The Nursing Pinning Ceremony:

Modern Nursing: How We Got There Liline St. Louis, 2023-02-27 I have recently completed an educational book entitled *Modern Nursing How We Got There* The nursing profession has undergone an enormous transformation over the past four decades and I observed every change as it unfolded during my forty one year career as a registered nurse In this short work I explore the ancient origins of nursing and explain how what began as a mysterious art steeped in myth and folklore grew into the modern profession that it is today I earned my master s degree in nursing in 2007 and I am the published author of *New Heart New Life Christian Faith Publishing 2017* which documents the story of my heart transplant and how I went on to continue my career in nursing My hope is that this book will help new nurses appreciate more that very demanding but wonderful profession

Exploring Rituals in Nursing Zane Robinson Wolf, 2013-07-15 Awarded first place in the 2013 AJN Book of the Year Awards in the History and Public Policy category This book leaves experienced nurses with a renewed sense of purpose and urgency For new nurses the book serves as a reminder that although the work of nursing embodies many forms of technology to assist in the delivery of patient care it remains vitally important not to forget the importance of the art of nursing the laying of hands Score 86 3 Stars Doody s Medical Reviews A very interesting read this book reaffirms why and how nurses provide care and incorporate ethical values and respect for human dignity into professional practice A useful supplemental resource for nursing curricula Choice Current Reviews for Academic Libraries During this tumultuous period in health care it can be helpful for both students and practicing nurses to not only look forward to change but to look back at customs that have served nurses well over the years This text examines a variety of nursing rituals in the context of caring science and evidence based practice and demonstrates how understanding and incorporation of such rituals can have a transformative effect on contemporary nursing practice It is written for undergraduate and graduate students and serves to integrate the liberal arts into nursing education as per AACN s New Essentials of Baccalaureate Education The text explores the history of nursing rituals and the symbols meanings and overall usefulness nursing rituals can convey to the profession today These rituals marking the sacred and profane of nursing serve functions both practical and social and offer a window into the art of nursing that runs beneath the surface Not only does the book examine rituals that take place in nurse to patient direct care situations in nurse to nurse relationships and those that mark the transitions into the professional nursing role it also incorporates evidence based research and an emphasis on caring theory The book demonstrates how understanding and effective incorporation of these rituals in one s learning and practice can enhance nursing care Rituals addressed include those used for bathing patients pre and postmortem care ritualistic prevention of medication related errors rituals of socialization and nursing ceremonies Key Features Presents a history of nursing rituals and their significance past and present Incorporates evidence based research and an emphasis on caring theory Demonstrates how understanding and incorporation of nursing rituals can greatly enhance nursing care today Includes rituals for bathing
