*Sacred Space* Young Kim, 2016-02-08 I wrote this book to add to the incredible stories of people who have seen the other side of the veil I wanted to share in my own words some of the eternal knowings I gained Such as love does not arise from life but rather life arises out of love Love is the breath inside each and every one of us It makes us who we are We were molded out of love and came to Earth to experience what it is like to be human God created or rather BECAME the Universe to answer the question Who am I and to engage Himself in the ultimate theater or musical I wanted to share what I learned when I merged with Source and understood the reasons for everything including all of our sufferings and setbacks I understood the nature of the polarity of existence how you cannot understand joy without despair patience without frustration etc This world was created for our benefit so that we can grow our love and eventually return to the Creator I hope some will find my words peaceful and useful in their lives
