**East Central Europe in Exile Volume 1** Anna Mazurkiewicz, 2014-10-16 The East Central Europe in Exile series consists of two volumes which contain chapters written by both esteemed and renowned scholars as well as young aspiring researchers whose work brings a fresh innovative approach to the study of migration Altogether there are thirty eight chapters in both volumes focusing on the East Central European migr experience in the nineteenth and twentieth centuries The first volume *Transatlantic Migrations* focuses on the reasons for emigration from the lands of East Central Europe from the Baltic to the Adriatic the intercontinental journey as well as on the initial adaptation and assimilation processes The second volume is slightly different in scope for it focuses on the aspect of negotiating new identities acquired in the adopted homeland The authors contributing to *Transatlantic Identities* focus on the preservation of the East Central European identity maintenance of contacts with the old country and activities pursued on behalf of and for the sake of the abandoned homeland Combined both volumes describe the transnational processes affecting East Central European migrants

**Albanian Traditional Music** Spiro J. Shetuni, 2014-01-10 For most musicians and musicologists in the West traditional Albanian music remains an obscure subject even though Albania has produced a monumental cultural and corresponding musical heritage This book examines the distinct musical culture of southeastern Europe both monophonic and polyphonic by

delineating its four main musical dialects Gheg Tosk Lab and Urban The origins fundamental features musical styles and genres of the four dialects are discussed Additional topics covered include an historical and demographic analysis of Albania the history of Albanian ethnomusicology and the various classifications in Albanian music Relying heavily on field research and recordings this text introduces traditional Albanian music to both ethnomusicologists and curious readers **Urban Planning in the Middle East** John Yarwood,2011-07-12 This book describes diverse urban planning projects in Turkey Bahrain the United Arab Emirates Dubai and Sharjah Kuwait Afghanistan Albania Syria and Yemen One thing in common between these countries is that the author has personally worked on all of these projects and thus the book is a partial professional autobiography Each chapter tackles not only a different country but also a different aspect of urban planning and development as follows upgrading or improving recent illegal or informal slums including detailed local planning and strategic planning urban conservation of Al Muharraq a historic Gulf city traditional building construction as a reference point for modern design urban design of new city centre areas in three prosperous Gulf cities Kuwait Dubai and Sharjah the recreation post war of an urban planning system in Kabul a historical account of urban planning in the Zog Mussolini period in Albania which is contrasted with the currently collapsed system an account of urban economic regeneration in Syria and local planning aiming at economic revival in Aden These essays articulate eight themes tradition versus modernism regionalism and identity the property market in the urban economy privacy the family tribe etc arts and crafts industrialised construction the impact of the motor car and urban infrastructure the courtyard house and public administration local politics and corruption The book will be of interest to urban and regional planners infrastructure engineers urban economists architects urban managers and local government experts as well as those with an interest in the region itself The book will be useful as an academic textbook in the region because it presents a wide range of views of the topic and a wide spread of countries and backgrounds **Ethnic Interest Groups and U.S. Foreign Policy** Fron Nahzi,2025-10-29 In 1999 Albanian American community leaders sat with President Bill Clinton in the White House discussing NATO s intervention in Yugoslavia a moment that played a pivotal role in Kosovo s path to independence How did a small ethnic community of roughly 250 000 people gain such remarkable political influence in the United States Ethnic Interest Groups and U S Foreign Policy The Albanian American Movements offers a front row seat to the evolution of Albanian American political activism uncovering the strategies movements and relationships that helped shape U S foreign policy Drawing from exclusive interviews firsthand observations and declassified documents it traces the three defining political movements of Albanian Americans from an early 20th century struggle for Albanian statehood to the grassroots movement s political access and influence at the highest levels today With deep analysis and untold stories Ethnic Interest Groups and U S Foreign Policy The Albanian American Movements reveals how a determined diaspora transformed its influence from the fringes of U S politics to the heart of American foreign policy The book is essential reading for scholars and students studying the impact of interest groups on

American foreign policy Balkan history and contemporary issues diaspora movements and immigration and ethnic identity development generally Albania Andreas Hemming, Gentiana Kera, Enriketa Pandlejmoni, 2012 This collection of papers on contemporary issues in Albanian history and anthropology covers a broad range of approaches and forms of analysis The book includes research on parts of the country that have rarely made an appearance in international scholarship including recent research on various aspects of urban life in Albania with several chapters being set in Shkodra Tirana Elbasan and Gjirokastra Issues of local self organization or identity processes are presented as well A third core aspect that is addressed is the continued analysis of new and revealing demographic sources that shed light on the structure and history of the Albanian family Series Studies on South East Europe Vol 9 *The Crescent and the Eagle* George W. Gawrych, 2006-10-25 The Crescent and the Eagle examines the awakening of Albanian national identity from the end of the 19th century to the outbreak of the First World War a period of intense nationalism in the Balkans from an Ottoman perspective Drawing on Ottoman and European archival material the book undermines the customary negative stereotypes of Ottoman rule offering a more nuanced interpretation Gawrych provides a critical but objective examination of the evolution of government policies toward Albanians from attempts to mould them into an iron barrier to the establishment of a uniform system of administration He argues that this was a result of a complicated set of conflicting allegiances and identities rather than a simply adversarial struggle between government imposition of policy and Albanian resistance The author also analyses the general problems of endemic violence and misadministration at the provincial level and examines Albanian efforts to gain nationality rights and maintain local privileges and tribal autonomy Weaving his analysis of these events into a chronological framework he concludes that Albanian independence resulted from a confluence of foreign and domestic developments rather than from the design and will of the Albanians themselves This stimulating study offers many fresh insights into the dynamics of power within the Ottoman Empire and contributes a new perspective to the study of the development of Albanian nationalism *Historical Dictionary of Albania* Robert Elsie, 2010-03-19 Albania is not well known by outsiders it was deliberately closed to the outside world during the communist era Now it has thankfully become free again its borders are open and it can be visited and it is increasingly integrating with the rest of Europe and beyond Unfortunately Albania has had its share of problems in the post communist era it s a land of destitution and despair thanks in part to the Albanian mafia which has turned the country into one of blood feuds kalashnikovs and eternal crises Yet Albania is in essence a European nation like any other and will soon it is to be hoped advance and take its proper place in Europe and the world The second edition of the Historical Dictionary of Albania relates the history of this little known country through a detailed chronology an introduction a bibliography appendixes and over 700 cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets **Britain, the Albanian National Question and the Fall of the Ottoman Empire, 1876-1914** Daut Dauti, 2023-09-21 All too often Albania has

been considered a relatively minor player in late 19th and early 20th century history. By contrast this book highlights the significance of this nation and the Albanian question at this time through a detailed analysis of the relationship between Albania, Britain and the Ottoman Empire from 1876 to 1914. Making use of a wide range of archival source materials some of which are published here in English for the first time, this book explores British foreign policy towards the development of the Albanian national movement and parallel demise of the Ottoman Empire. In doing so it illuminates the objectives of the British government as well as shining a spotlight on the public opinion of both the British people towards Albanian nationalism and on the reaction of the Albanians towards the British diplomatic position. By looking through such a unique lens here Daut Dauti is able to provide fresh insight into why the Albanians were not supported by the Great Powers in their national quest in the way that other Balkan countries were and draws significant new conclusions on British Balkan and Ottoman relations. As such this nuanced study is vital reading for all scholars interested in modern Albanian history, turn of the century British international relations and the fall of the Ottoman Empire more broadly.

**Engineering Geology for Society and Territory - Volume 1** Giorgio Lollino, Andrea Manconi, John Clague, Wei Shan, Marta Chiarle, 2014-08-23. This book is one out of 8 IAEG XII Congress volumes and deals with climate change affecting different natural processes and environments such as slope dynamics, water courses, coastal and marine environments, hydrological and littoral processes and permafrost terrain. Due to climate change, major effects are also expected on territorial planning and infrastructure, particularly in extreme climate regions. The volume and its contents aim to analyze the role of engineering geology and the solutions it may offer with respect to the ongoing environmental changes. Contributions regard the modeling of both the factors and the effects induced by climate change. Potential impacts of the climate change on the common practice and routine work of engineering geologists are also analyzed with particular attention to the risk assessment and mitigation procedures and to the adaptation measures adopted. The Engineering Geology for Society and Territory volumes of the IAEG XII Congress held in Torino from September 15-19, 2014, analyze the dynamic role of engineering geology in our changing world and build on the four main themes of the congress: environment, processes, issues and approaches. The congress topics and subject areas of the 8 IAEG XII Congress volumes are: Climate Change and Engineering Geology; Landslide Processes; River Basins; Reservoir Sedimentation and Water Resources; Marine and Coastal Processes; Urban Geology; Sustainable Planning and Landscape Exploitation; Applied Geology for Major Engineering Projects; Education; Professional Ethics and Public Recognition of Engineering Geology; Preservation of Cultural Heritage.

Political and Economic Liberalization Gerd Nonneman, 1996. This volume assesses the surges in the processes of democratisation and economic liberalisation and the forms they have taken. Diverse country studies are used to advance the reader's understanding of the complexities of these processes.

*Armenia and Karabagh: the struggle for unity* Christopher J. Walker, 1991-12-31. Despite a history of persecution, oppression and dispersion, the Armenian people continue to display a determination for survival and a high degree of national self-awareness.

Yet perestroika and glasnost found Soviet Armenia unprepared for the re emergence of Armenian political nationalism The focus of this book is on an issue crucial to Armenian identity the disputed territory of Mountainous Nagorno Karabagh in neighbouring Azerbaijan For centuries a centre of Armenian culture and intellectual life and with an Armenian majority Karabagh or Artsakh has consistently been denied an Armenian identity by successive Russian British and Azeri rulers Since 1920 Armenians of Karabagh have been immured against their will in Azerbaijan and deprived of many basic rights Today the majority people of Karabagh still define themselves as Armenian and continue the struggle for unification with the Republic of Armenia despite a crippling economic blockade A unique work on the subject this book also presents an objective history of the Armenian people in the USSR T rkiye and the diaspora Please note that the terminology in the fields of minority rights and indigenous peoples rights has changed over time MRG strives to reflect these changes as well as respect the right to self identification on the part of minorities and indigenous peoples At the same time after over 50 years work we know that our archive is of considerable interest to activists and researchers Therefore we make available as much of our back catalogue as possible while being aware that the language used may not reflect current thinking on these issues

**Ancient and Indigenous Wisdom Traditions in African and Euro-Asian Contexts** Ehaab Abdou, Theodore Zervas, 2024-08-01 This book brings attention to the understudied and often overlooked question of how curricula and classroom practices might inadvertently reproduce exclusionary discourses and narratives that omit or negate particular cultures histories and wisdom traditions With a focus on representations and classroom practices related especially to ancient and Indigenous wisdom traditions and cultures it includes unique contributions from scholars studying these questions in various contexts The book offers a range of important studies from key African and Euro Asian contexts including Afghanistan Albania Greece Iran South Africa Sweden T rkiye and Zimbabwe The various chapter contributions address and discuss nuances of each of the contexts under study The contributions also help highlight some key commonalities across these contexts including how dominant discourses and various forces have historically shaped and continue to shape and reproduce such omissions misrepresentations and marginalization In addition to seeking to reconcile with some of these ancient and Indigenous wisdom traditions and cultures the book charts a path forward towards more holistic analytical frameworks as well as more inclusive and balanced representations and classroom practices in these aforementioned geographic contexts and beyond It will appeal to scholars researchers undergraduate and graduate students with interests in Indigenous education curriculum studies citizenship education history of education religion and educational policy

*History of the Caucasus* Christoph Baumer, 2021-08-26 Magnificent and wondrous The Spectator Rich and illuminating Literary Review Phenomenally accurate History Today Stunning The Morning Star Sweeping The New European A wonderful book Current World Archaeology In a class of its own The Caspian Post A landscape of high mountains and narrow valleys stretching from the Black to the Caspian Seas the Caucasus region has been home to human populations for nearly 2 million years In this richly illustrated 2 volume

series historian and explorer Christoph Baumer tells the story of the region's history through to the present day. It is a story of encounters between many different peoples from Scythians, Turkic and Mongol peoples of the East to Greeks and Romans from the West, from Indo-European tribes from the West as well as the East and to Arabs and Iranians from the South. It is a story of rival claims by Empires and nations and of how the region has become home to more than 50 languages that can be heard within its borders to this very day. This first volume charts the period from the emergence of the earliest human populations in the region, the first known human populations outside Africa, to the Seljuk conquests of 1050CE. Along the way, the book charts the development of Neolithic, Iron and Bronze Age cultures, the first recognizable Caucasian state and the arrival of a succession of the great transnational Empires from the Greeks, the Romans and the Armenians to competing Christian and Muslim conquerors. *The History of the Caucasus Volume 1* also includes more than 200 full colour images and maps bringing the changing cultures of these lands vividly to life.

*The Albanians* Miranda Vickers, 2011-01-28 This is the first full account of a country that following decades of isolation has undergone unprecedented changes to its political system: the collapse of communism, the progression to multi-party elections and the upheaval that followed the March 1997 uprising. Miranda Vickers traces the history of the Albanian people from the Ottoman period to the formation of the Albanian Communist Party. She considers the charismatic leadership of Enver Hoxha, Albania's relationship with Tito and the alliance with the Soviet Union and then China and the long period of isolation. Newly revised for this paperback edition, *The Albanians* considers the gradual process of reform and the fragility of the Albanian experiment with democracy and includes a dramatic account of the days leading up to Sali Berisha's resignation of the presidency. It has now been updated to cover the crisis in Kosovo that has led to the first Western war in Europe since 1945.

*The Social Studies*, 1928 **Index to Periodicals**, 1914 *History of the Byzantine Empire* Aleksandr Aleksandrovich Vasil'ev, 1929 *Women and Gender in Central and Eastern Europe, Russia, and Eurasia* Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium. The coverage encompasses the relevant territories of the Russian, Hapsburg and Ottoman empires, Germany and Greece and the Jewish and Roma diasporas. Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds. The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations. Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies. The entries are cross-referenced and each volume includes indexes.
