History Without The Boring Bits:

History Without the Boring Bits Ian Crofton, 2013-09-03 Conventional chronologies of world history concentrate on the reigns of kings and queens the dates of battles and treaties the publication dates of great books the completion of famous buildings the deaths of iconic figures and the years of major discoveries But there are other more interesting stories to tell stories that don't usually get into the history books but which can nevertheless bring the past vividly and excitingly to life Imagine a history lesson that spares you the details of such seminal events as the 11th century papal imperial conflict that fails to say much at all about the 1815 Congress of Vienna and that neglects entirely to mention the world changing moment that was the 1521 Diet of Worms Imagine instead a book that tells you the date of the ancient Roman law that made it legal to break wind at banquets the name of the defunct medieval pope whose putrefying corpse was subjected to the humiliation of a trial before a court of law the identity of the priapic monarch who sired more bastards than any other king of England and last but not least the date of the demise in London of the first goat to have circumnavigated the globe twice Imagine a book crammed with such deliciously disposable information and you have History without the Boring Bits By turns bizarre surprising trivial and enlightening History without the Boring Bits offers rich pickings for the browser and entertainment and inspiration aplenty for those who have grown weary of more conventional works of history *History Without The Boring*

Bits Packages, 2000-05-24 **Scottish History Without the Boring Bits** Ian Crofton, 2015-05-14 This is the story of Scotland as it's never been told before From the 4th millennium BC when the first Scot was expelled from Eden right up to the 21st century when US intelligence identified a distillery on Islay as a possible threat to world peace Ian Crofton presents a host of little known tales that you won't find in conventional history books Packed with fascinating facts and extraordinary events Scottish History Without the Boring Bits also includes some remarkable personalities such as the duke who ate his own fingers the poet who sought inspiration from a tooth the vampire hunting children of the Gorbals and the MP accused of stealing his ex-mistress's knickers

Legendary Locals of the Pine Barrens of New Jersey Karen F. Riley and Andrew Gioulis, Foreword by Peter H. Stemmer, 2013 Our country's first national reserve the Pine Barrens harbors a wonderful secret unknown to most outsiders This 1.1 million acre treasure trove of pitch pine and sugar sand is home to many rare species and almost 17 trillion gallons of the purest water on earth It was in this forest that men like Leland Champion logged trees and built sawmills It was along these waterways that craftsmen like Gary Giberson made prized decoys And it was in these woods that Stanley Switlik built a tower from which Amelia Earhart jumped testing his parachute so it could be used in World War II These woods yielded inventors whose products we enjoy today cultivated blueberries cranberry sauce and Welch's grape juice It was here that Bob Buchanan reached for the mooring lines as the Hindenburg ended its final fated voyage And it was here in Buzby's General Store that John McPhee penned his classic book The Pine Barrens setting into motion legislation to preserve this area for future generations *Welsh History: Strange but True* Geoff Brookes, 2014-04-07

Sir John Pryce of Newtown Hall died in 1761 He kept the embalmed bodies of his first two wives on either side of his bed until his third wife insisted that they were removed In 1856 Ronald Rhys from the Vale of Neath disappeared for a week after seeing a strange light in a field and hearing a loud noise He remembered being examined by small creatures who took a sample of his blood Oh yes and America is named after a Welshman and the Holy Grail is kept in a bank vault in West Wales This book contains hundreds of strange but true facts and anecdotes about Welsh history Arranged into a miniature history of Wales and with bizarre and hilarious true tales for every era it will interest and delight readers everywhere

The Very Bloody History Of Britain, 2 John Farman,2012-06-30 John Farman makes history hysterical in this must have companion volume to the best selling THE VERY BLOODY HISTORY OF BRITAIN THE FIRST BIT It s the wittiest and wackiest chronicle of modern British history you ll find ranging from post war rationing through the glut of the Thatcher yuppie years to the new millenium

Only in Tasmania Sandra Huett,2012 Executions murders suicides poisonings shipwrecks floods cemetery desecration airline crashes fires pre historic discoveries all this and more has occurred in Tasmania s relatively short 210 year history since colonisation A plethora of true stories about the gruesome shocking amazing and amusing events from Tasmania s history Back cover

The Vice of Kings Jasun Horsley,2019-01-22 In today s post truth world we are becoming inundated with fantasy fictions alternate news and grossly oversimplified and wildly exaggerated conspiracy theories that identify cryptocratic power structures ruling our fates But suppose the truth is both stranger than any fiction and more nuanced and disturbing than any theory Suppose it is not conspiracy but complicity that creates our world Beginning as an investigation into the author s childhood inside a closet aristocracy of progressive British entrepreneurs The Vice of Kings uncovers a history both disturbingly personal and shockingly universal By juxtaposing disc jockey Jimmy Savile s secret cultural criminal and political affiliations in the second half of the 20th century with the life and teachings of Aleister Crowley in the first it uncovers an alarming body of evidence that organized child abuse is not only the dark side of occultism but the shadowy secret at the heart of culture both ancient and modern

Do Not Go Gentle Phil Carradice,2014-01-23 It s November 1953 and Dylan Thomas Britain s finest poet is dying in a hospital bed in New York What brought him to this end is not clear But he is a man tormented by fear fear of failing as a writer fear of a marriage doomed to end in disaster even fear of death itself all of which have led him to find comfort in alcohol outrageous behaviour and the arms of other women Now as Dylan lies waiting for the end he thinks back over his life from his childhood in Swansea to his days as a wild young poet in London from his tempestuous marriage to Caitlin MacNamara to his final weeks in New York Dylan Thomas may not have wanted to die but he had little desire to live An interesting and attractive figure who was doomed Do Not Go Gentle paints a picture of a man who has clearly reached the end of his tether
