## **History Women Gender Modern Middle:**

**History, Women and Gender in the Modern Middle East** Lisa Pollard, Mona L. Russell, 2023-12-20 This introductory text explores the gendered history of the modern Middle East from the eighteenth century to the present studying the various ways in which gender has defined the region and shaped relations in the modern era The book captures three aspects of change simultaneously the events that mark the modern Middle East women s encounters with the transition to modernity and gendered responses to modernity It contains both new fieldwork and a synthesis of secondary scholarship that highlight the role of gender in the modernization of Egypt Turkey Iran the Levant and the Persian Gulf states Chapters are organized chronologically to chart the rapid developments of the modern era but each chapter also stands on its own with coverage of masculinity and femininity sexuality marriage and the family labor and women s contributions to Arab Spring uprisings Through this comprehensive account the book pushes back on stereotypes that the Middle East is an ahistorical region and that women have not been vital actors in the process of change Richly illustrated and accessible for a variety of readers History Women and Gender in the Modern Middle East is an ideal resource for undergraduate and postgraduate students in gender studies and Middle Eastern history

**A Social History Of Women And Gender In The Modern Middle East** Margaret Lee Meriwether, 2018-02-12 Synthesizing the results of the extensive research on women and gender done over the last twenty years Margaret L Meriwether and Judith E Tucker provide an accessible overview of the scholarship on women and gender in the nineteenth and twentieth century Middle East The book is organized along thematic lines that reflect major focuses of research in this area gender and work gender and the state gender and law gender and religion and feminist movements and each chapter is written by a scholar who has done original research on the topic

*Women in Middle Eastern History* Nikki R. Keddie, Beth Baron, 2008-10-01 This history of Middle Eastern women is the first to survey gender relations in the Middle East from the earliest Islamic period to the present Outstanding scholars analyze a rich array of sources ranging from histories biographical dictionaries law books prescriptive treatises and archival records to the Traditions hadith of the Prophet and imaginative works like the Thousand and One Nights to modern writings by Middle Eastern women and by Western writers They show that gender boundaries in the Middle East have been neither fixed nor immutable changes in family patterns religious rituals socio economic necessity myth and ideology and not least women s attitudes have expanded or circumscribed women s roles and behavior through the ages

*Women, Gender, and the Palace Households in Ottoman Tunisia* Amy Aisen Kallander, 2013-09-15 In this first in depth study of the ruling family of Tunisia in the eighteenth and nineteenth centuries Kallander investigates the palace as a site of familial and political significance Through extensive archival research she elucidates the domestic economy of the palace as well as the changing relationship between the ruling family of Tunis and the government thus revealing how the private space of the palace mirrored the public political space Instead of viewing the period as merely a precursor to colonial occupation and the nation state as

emphasized in precolonial or nationalist histories this narrative moves away from images of stagnation and dependency to insist upon dynamism Kallander explains She delves deep into palace dynamics comparing them to those of monarchies outside of the Ottoman Empire to find persuasive evidence of a global modernity She demonstrates how upper class Muslim women were active political players exerting their power through displays of wealth such as consumerism and philanthropy Ultimately she creates a rich view of the Husaynid dynastic culture that will surprise many and stimulate debate and further research among scholars of Ottoman Tunisia Making Women's Histories Pamela S. Nadell, Kate Haulman, 2013-01-07 Examines how women's histories are explored and explained around the world Making Women's Histories showcases the transformations that the intellectual and political production of women's history has engendered across time and space It considers the difference women's and gender history has made to and within national fields of study and to what extent the wider historiography has integrated this new knowledge What are the accomplishments of women's and gender history What are its shortcomings What is its future The contributors discuss their discovery of women's histories the multiple turns the field has taken and how place affected the course of this scholarship Noted scholars of women's and gender history they stand atop such historiographically defined vantage points as Tsarist Russia the British Empire in Egypt and India Qing dynasty China and the U S roiling through the 1960s From these and other peaks they gaze out at the world around them surveying trajectories in the creation of women's histories in recent and distant pasts and envisioning their futures

Women in the Middle East Nikki R. Keddie, 2012-08-09 Written by a pioneer in the field of Middle Eastern women's history Women in the Middle East is a concise comprehensive and authoritative history of the lives of the region's women since the rise of Islam Nikki Keddie shows why hostile or apologetic responses are completely inadequate to the diversity and richness of the lives of Middle Eastern women and she provides a unique overview of their past and rapidly changing present The book also includes a brief autobiography that recounts Keddie's political activism as one of the first women in Middle East Studies Positioning women within their individual economic situations identities families and geographies Women in the Middle East examines the experiences of women in the Ottoman Empire and Turkey in Iran and in all the Arab countries Keddie discusses the interaction of a changing Islam with political cultural and socioeconomic developments In doing so she shows that like other major religions Islam incorporated ideas and practices of male superiority but also provoked challenges to them Keddie breaks with notions of Middle Eastern women as faceless victims and assesses their involvement in the rise of modern nationalist socialist and Islamist movements While acknowledging that conservative trends are strong she notes that there have been significant improvements in Middle Eastern women's suffrage education marital choice and health

**Handbook of the Sociology of Gender** Janet Saltzman Chafetz, 2006-11-22 During the past three decades feminist scholars have successfully demonstrated the ubiquity and omnirelevance of gender as a sociocultural construction in virtually all human collectivities past and present Intrapsychic interactional and collective social processes are gendered as

are micro meso and macro social structures Gender shapes and is shaped in all arenas of social life from the most mundane practices of everyday life to those of the most powerful corporate actors Contemporary understandings of gender emanate from a large community of primarily feminist scholars that spans the gamut of learned disciplines and also includes non academic activist thinkers However while incorporating some cross disciplinary material this volume focuses specifically on socio logical theories and research concerning gender which are discussed across the full array of social processes structures and institutions As editor I have explicitly tried to shape the contributions to this volume along several lines that reflect my long standing views about sociology in general and gender sociology in particular First I asked authors to include cross national and historical material as much as possible This request reflects my belief that understanding and evaluating the here and now and working realistically for a better future can only be accomplished from a comparative perspective Too often American sociology has been both tempero and ethnocentric Second I have asked authors to be sensitive to within gender differences along class racial ethnic sexual preference and age cohort lines

**A Companion to Global Gender History** Teresa A. Meade, Merry E. Wiesner-Hanks, 2020-11-19 Provides a completely updated survey of the major issues in gender history from geographical chronological and topical perspectives This new edition examines the history of women over thousands of years studies their interaction with men in a gendered world and looks at the role of gender in shaping human behavior It includes thematic essays that offer a broad foundation for key issues such as family labor sexuality race and material culture followed by chronological and regional essays stretching from the earliest human societies to the contemporary period The book offers readers a diverse selection of viewpoints from an authoritative team of international authors and reflects questions that have been explored in different cultural and historiographic traditions Filled with contributions from both scholars and teachers A Companion to Global Gender History Second Edition makes difficult concepts understandable to all levels of students It presents evidence for complex assertions regarding gender identity and grapples with evolving notions of gender construction In addition each chapter includes suggestions for further reading in order to provide readers with the necessary tools to explore the topic further Features newly updated and brand new chapters filled with both thematic and chronological geographic essays Discusses recent trends in gender history including material culture sexuality transnational developments science and intersectionality Presents a diversity of viewpoints with chapters by scholars from across the world A Companion to Global Gender History is an excellent book for upper level undergraduate and graduate students involved in gender studies and history programs It will also appeal to more advanced scholars seeking an introduction to the field

*Handbook of Middle East Politics* Shahram Akbarzadeh, 2023-10-06 This Handbook uses a comprehensive study of political institutions social movements and external pressures to offer nuanced study of politics in the Middle East Foremost scholars on the Middle East examine key themes such as political change regional rivalry and authoritarianism making this collection very timely and relevant as an authoritative source

**Architecture in the Family Way** Annmarie Adams, 2001 Architecture in the Family Way explores the relationship between domestic architecture health reform and feminism in late nineteenth century England Annmarie Adams examines the changing perceptions about the English middle class house from 1870 to 1900 highlighting how attitudes toward health women home life and even politics were played out in architecture

**Fashioning the Modern Middle East** Reina Lewis, Yasmine Nachabe Taan, 2021-06-03 In the first book to address the critical role of the undressed body in the formation of the modern Middle East these essays unveil contemporary struggles over nation gender modernity and post modernity Contributions from leading interdisciplinary scholars exploring gender representation photography dress and visual culture recount the role of the visible elite body in campaigns for gender and social emancipation dress histories concerning early nationalist women and men and legal frameworks used by those who seek to control the movement of gendered bodies The result is a rich picture of a historical period and cultural landscape which brings dress and visual culture back into historical narratives of the modern Middle East Recognising multiple modernities multiple imperialisms and diverse regional experiences of post colonialism Fashioning the Modern Middle East contains a range of theoretical frameworks invaluable to students of fashion studies Middle Eastern studies anthropology photography and gender Bringing forward new primary material and re investigating extant sources from new perspectives this is the essential introduction to the role of the dressed and undressed body in the formation of the modern Middle East

*Graduate Programs in the Humanities, Arts & Social Sciences 2015 (Grad 2)* Peterson's, 2014-11-25 Peterson's Graduate Programs in the Humanities Arts Social Sciences 2015 contains details on more than 11 000 graduate programs of study across all relevant disciplines including the arts and architecture communications and media psychology and counseling political science and international affairs economics and sociology anthropology archaeology and more Informative data profiles include facts and figures on accreditation degree requirements application deadlines and contact information financial support faculty and student body profiles Two page in depth descriptions written by featured institutions offer complete details on specific graduate programs schools or departments as well as information on faculty research Comprehensive directories list programs in this volume as well as others in the graduate series

**Ottoman and Republican Turkish Labour History: Volume 17** Touraj Atabaki, Gavin Brockett, 2009-12-17 Examines Ottoman and republican Turkish social and labour history from the end of the nineteenth century to the early 1950s

Women in Christianity in the Age of Empire Janet Wootton, 2022-03-07 Women in Christianity in the Age of Empire 1800 1920 offers a broad view of the nineteenth century as a time of dramatic change particularly for women critiqued in the light of postcolonial theory This edited volume includes important contributions from academics in the field Overarching themes include the cult of domesticity the changing impact of Christianity on views of women's nature in an age of scientific thinking conflation of gospel and civilization in global mission and the exclusion of women from public spheres of life We meet powerful saints campaigners and thinkers who bring about genuine transformation in the lives of

women and in society But we also recognize the long shadow of Empire in the world of the twenty first century critiquing Colonialism and Empire and views that restricted women s lives This engaging volume will be of key interest to students and scholars in Religion and Cultural Studies Exploring the complexities of the nineteenth century it draws on a range of scholarship including TV documentaries film online and more traditional academic resources

**Competition and Cooperation in Social and Political Sciences** Isbandi Rukminto Adi,Rochman Achwan,2017-12-01 The book contains essays on current issues in Social and Political Sciences such as the issues of governance and social order social development and community development global challenges and inequality civil society and social movement IT based community and social transformation poverty alleviation and corporate social responsibility and gender issues Asia and the Pacific are the particular regions that the conference focuses on as they have become new centers of social and political development Therefore this book covers areas that have been traditionally known as the social and political areas such as communication studies political studies governance studies criminology sociology social welfare anthropology and international relations

Women and Elective Office Sue Thomas,Clyde Wilcox,2005-09-02 Since the publication of the first edition of this book former U S Senator Carol Moseley Braun s campaign for the presidency in 2004 and the widespread discussion of a run in 2008 by Senator Hillary Rodham Clinton have significantly raised the profile of women on the national political stage At the same time progress in electing women to the U S Congress and state legislatures has stalled The essays in Women and Elective Office Past Present and Future which feature research on women as political candidates and officeholders address this paradox Recruitment patterns media portrayals and voter reactions to women candidates are analyzed along with the impact of women in office relative to the challenges they face The 2nd edition includes increased coverage of women on the congressional level women officeholders of color and analysis of women parliamentarians worldwide In total Women and Elective Office offers a comprehensive look at the experiences and influence of women politicians today while considering women s prospects for political leadership in the twenty first century

**Poetry and Revolution** Homa Katouzian,Alireza Korangy,2022-07-08 Compiled by experts on the works of each individual poet this book covers the poetry and poets of the Constitutional Revolution of Iran Following a two pronged approach this volume studies both those who were influenced by the Constitutional Revolution in their works and those who addressed the Revolution with their work influencing it directly Through the analysis of their works this volume explores influential poets and writers from the period including Iraj Vaziri Afr shteh Yazdi Bah r and Eshqi It covers female poets who are often overlooked as well as the major satirical poets whose work educated and entertained the readers and criticized socio political events Analysing the mainstream and marginal poets this volume argues the margins initiated the evolution of Persian poetry As Persian poetry and its multifunctional legacy became the standard bearer of the Constitutional movement this volume is an important contribution to an understanding of Iran This volume will be of interest to historians of the Constitutional Revolution and Iranian poetry as well as to students

and scholars of comparative revolutions It is suitable for both undergraduate and graduate courses on Iranian history Middle Eastern history and comparative studies of literature and revolution      **Feminisms in Development** Andrea Cornwall, Elizabeth Harrison, Ann Whitehead, 2008-02-29 This collection of essays by leading feminist thinkers from North and South constitutes a major new attempt to reposition feminism within development studies Feminism's emphasis on social transformation makes it fundamental to development studies Yet the relationship between the two disciplines has frequently been a troubled one At present the way in which many development institutions function often undermines feminist intent through bureaucratic structures and unequal power quotients Moreover the seeming intractability of inequalities and injustice in developing countries have presented feminists with some enormous challenges Here emphasizing the importance of a plurality of approaches the authors argue for the importance of what feminisms have to say to development Confronting the enormous challenges for feminisms in development studies this book provides real hope for dialogue and exchange between feminisms and development      Women and Democracy in Iraq Huda Al-Tamimi, 2019-05-30 As the post invasion reconstruction of Iraq has unfolded the potential for Iraqi women to participate actively and visibly in the country's political structure has been one of its most notable results The 2005 Constitution required that no less than 25% of seats in the Iraqi Parliament be filled by women Yet despite subsequent parliamentary statistics suggesting great strides for female political participation there has been a resounding silence on the wider implications of this quota for women in Iraqi political life This book is the first full length study of women's political representation in Iraq Based on interviews with politicians and substantial media analysis Huda Al Tamimi outlines the political sectarian and cultural constraints facing female Members of Parliament and the ways in which individual women and women's organizations are actively challenging barriers to their political influence The book is a vital contribution to discussions concerning the success and limitations of gender quotas in the Middle East It also offers new and critical perspectives on the evolution of Iraqi politics a subject that remains of high priority for a region and international community interested in the nation's reconstruction      University of Michigan Official Publication University of Michigan, 1993 Each number is the catalogue of a specific school or college of the University
