Once Burned Twice Thy Pain Part One **Kensington** David Gottfred,2015-11-25 In its heyday Kensington was an architectural showplace but Kensington Portal to a Family Place Time chronicles the history of not just a house but also the Singleton family with whose lives it was intertwined The Singletons were rich and powerful rubbing elbows with governors presidents and European royalty The halls of Kensington echoed with the voices of the high and mighty the laughter of children the clamor of war and the laments of slaves It is a slice of history well worth savoring Cyndi Carter The Singletons arrived in South Carolina in the 1750s and built a vast antebellum plantation empire of wealth and power The Kensington was the crown jewel of it all This story is about people the good the bad and the ugly told through their letters legal documents and stories handed down through generations There are heroes and villains triumph and tragedy joy and betrayal It is also about social class and slavery This story makes you laugh and maybe cry shake your head see the ironies and marvel at it all We get to know these people a little and maybe ourselves a little more **Douglas Bader** John Frayn

Turner,2009-04-30 Douglas Bader was a legend in his lifetime and remains one today 100 years after his birth A charismatic leader and fearless pilot he refused to let his severe disability loss of both legs in a flying accident ground him He fought the authorities as ruthless as he did the enemy and not only managed to return to the front line but became a top scoring ace His innovative tactics The Big Wing ensured his promotion and he led a key group of squadrons during the dark days of the Battle of Britain His luck ran out when he was shot down and captured he only escaped his burning fighter by cutting away one of his artificial legs As a POW he was a thorn in the Germans side and he was sent to Colditz Castle As this perceptive book reveals Bader the hero was at times a difficult overbearing man no doubt in part due to the pain he suffered But his strengths far outweighed his weaknesses and his place in the annals of British history is secure This is a timely republication of an important biography *Leading Men of London* London. - IV. (1980 - 2023), 2025-04-07 This pioneering study examines how Italian Renaissance painting has been physically and conceptually framed and re framed at the National Gallery London from its foundation in 1824 to the present day Harriet O'Neill's research focuses primarily on historic historicising and Neo Renaissance picture frames while considering the changing appearance of the physical gallery spaces as a wider conceptual frame Through six chapters the author identifies the varied roles frames and framing have played in mediating the entry of Italian Renaissance panels into the museum environment Chapter 1 situates the research within broader theoretical frameworks bringing together literature on frames with conceptualisations of museums decorative arts and museological constructions of the Renaissance Chapters 2 and 3 examine the motivations for re framing Renaissance panels under the Gallery's first Director Sir Charles Eastlake and his Keeper Ralph Nicholson Wornum exploring the connection between Neo Renaissance frames and visitor experience alongside art historical practice Chapter 4 analyses frames modelled on the portal ornament of the Venetian church of San Giobbe commissioned under the Gallery's third Director Sir Frederic Burton comparing them with the widely deployed Watts frames Chapter 5 discusses the collection and adaptation of antique frames contextualising this within international museological approaches pioneered in Berlin Chapter 6 charts the recent re framing of Italian Renaissance art at the National Gallery particularly in the Sainsbury Wing considering the types of narratives communicated to visitors through framing decisions This study reveals how re framing has transformed dislocated panels into both art historical specimens and works for aesthetic pleasure while engaging with the establishment of the Renaissance artistic canon and making controversial works more acceptable to English taste Editors Note Following Harriet O'Neill's untimely passing in 2023 we sought to honour her scholarly legacy by making her doctoral research publicly available Completed at the National Gallery and University College London in 2015 Harriet's thesis represents significant original scholarship that she had hoped to publish While we cannot know how she might have revised her work for formal publication we felt it vital to share her valuable contribution with the wider academic community To ensure the broadest possible reach without commercial constraints the book is published on Zenodo with a unique DOI and distributed worldwide through platforms such as Google Books and Internet Archive under a Creative Commons Attribution NonCommercial ShareAlike 4.0 International License Editorial Contributions As editors we have enhanced the original manuscript while preserving the integrity of Harriet's work and ideas Standardised the text redesigned the appendices restructured the bibliography and compiled a detailed new index Integrated over 150 illustrations originally presented in a separate volume into the main text at appropriate points Sourced high resolution images without fees thanks to the generosity of various institutions with approximately two thirds provided by the National Gallery itself This publication represents a collective effort from colleagues and friends particularly from the National Gallery's Learning and National Programmes Department who contributed their expertise through Editorial Team Proofreading Fiona Alderton Carlo Corsato Anne Fay Ed Dickenson Josepha Sanna Catherine Heath George Fountain Joseph
