Los San Signos Xul Solar Y El I Ching Spanish Edition:

The Mobility of Modernism Harper Montgomery, 2017-07-04 Presenting a paradigm shifting view of early Latin American modernism this book looks at how a transnational intellectual community of writers and critics forged an anticolonial aesthetic based in abstract artistic forms

Globalizing the Avant-Garde David Ayers, Joana Cunha Leal, Benedikt Hjartarson, Margarida Brito Alves, 2024-12-16 How has the process of globalization shaped artistic practices on the one hand and art history and theory on the other The contributions in this volume approach this question from a range of perspectives taking into account the role of travel for example or practitioners increasing knowledge of other cultures art s increasing awareness of itself as existing on a global level literary translation the advance of technology and the ever changing grand narratives of art history As well as reflections on European avant gardes and neo avant gardes the collection features discussions of Japan Latin America Africa Asia and the Pacific As a whole the volume engages with broader current discourses about cultural globalization and features input from leading scholars around the world as well as some important novel interventions by early career researchers The authors not only make a major contribution to the evolution of avant garde studies but also offer valuable original points of view to art history and to the cultural theory of globalization more broadly
