

# Lotus Diagram

## How it works

- 1 Start by defining the problem you want to explore and write it on the center of the Lotus.
- 2 Set a Timer for 1 minute and ask your team to add their ideas on the first level of petals.
- 3 Repeat the previous step for the second level of petals.
- 4 Now open a team debate and review all ideas. Don't forget to save the best ideas and turn those into actions.
