**Some Kind of Magic** Sonya Moore, 2023-11-11 This is a love story but maybe not the kind you expect It started with an epiphany and a desire to live life more fully One fateful day in 2017 a thirty something American woman up until that point a responsible hard working tax paying citizen decided to leave her home and career and set off to explore the other side of the world That choice led to a three year journey laced with serendipity and unexpected twists of fate that would show her more than she ever could have imagined Joyful and uninhibited this soul nourishing tale of love and adventure intertwined with discovery explores the mystery of life and human nature across cultures and continents from the cloud fringed mountains of Myanmar to the pristine beaches of southern France Sometimes hilarious occasionally shocking always honest this deliciously told travel memoir entertains and captivates while examining synchronicity choice and destiny the roots of happiness and multiple facets of love against a vivid backdrop of some of the world s most beautiful and little known places

and author Cat Willett traces the lives of four women who have pioneered work in tarot and divination. There is Lady Frieda Harris, the nineteenth-century British artist and mystic who created the Thoth Tarot with the occultist Aleister Crowley, and Marie Anne Lenormand, the most celebrated fortune teller of eighteenth-century France who brought card reading to the masses. Then readers will meet Pamela Colman Smith, the iconic cross-continental artist whose illustrations adorn the world's most popular tarot deck, the Rider-Waite-Smith Deck, and finally Rachel Pollack, the trans woman responsible for creating scores of decks in her lifetime as she strove to make tarot an art that was inclusive of all practitioners, especially the LGBTQIA community. Woven throughout is a timeline of the development of tarot as well as miniature profiles of women from cultures around the world whose work has impacted divination and fortune telling, including Nefertiti, Voodoo Queen of New Orleans, Marie Laveau, author Zora Neale Hurston, and contemporary artist Nanase Kawashima.
