Loud Larry Goes Fishing:

Destinies Terminated Orlando Fernandez, 2008-11 These short stories surfaced within my head each time I had the occasion to read published reports of a parent or parents who happened to slaughter his her or their offspring It seemed as if every time one turned on the television picked up a newspaper or magazine the one story to catch one s attention was about the death of an innocent child at the hand of a parent Each time I wondered as to who that child would have been or what he or she could have accomplished It saddened me to think that a human life had just been extinguished without having been given a chance to excel in life The more I read or heard the more I pondered the idea of giving each child his or her chance to show what he or she would have been I purposely chose to portray the positive possibilities and decided not to dwell on the things that could be construed as negative Each child s short lived beginning was already too short and too negative I hope that these short stories bring to light and instill in all who read them what a great loss a child s passing is for all of us The world may never know what each child s contribution to humanity would have been or what ailments and human ills they would have eradicated It is with hope that this book may even though fictional somehow bestow credence to their brief lives

Revenge of the Trout Zombies Bruce Cochran, 2014-07-12 All day you drift through some of the most beautiful scenery in the world yet you see it not writes Bruce Cochran The majestic bluffs the soaring bald eagle the snow capped mountains all go unnoticed because your world consists only of your strike indicator You stare at it hypnotized as it floats in the current carrying with it all your hopes your dreams and yes your humanity You have ceased to function as a living person Yes you have become a TROUT ZOMBIE In this his seventh book Cochran uses hilarious words and cartoons to expose the follies and foibles of fly fishing All elements of this hugely popular sport are lampooned including the equipment the characters the flies even the clothing Rule 1 No more pink shirts And yes they re PINK Not coral or salmon If you want to betaken seriously stop buying your clothes at Victoria s Secret

rewarding Between the Eternities Eddie Sawyer,2023-02-09 The race Between the Eternities begins before we take our first breath it matches us against a relentless and undefeatable opponent death This competitor never tires nor is distracted in its pursuit of us and the race continues until we or someone else closes our eyes for us after we draw our last breath Between the Eternities is based on facts chronicled about the journey along this racetrack by my mother The emotional roller coaster ride of our characters exposes the reader to elements of despair and hopelessness when we discover the method death chose for the demise of one of the main characters Humor is displayed when we see the heroine make her final drive into town or when we read of the small green snake that emptied the fishing boat Love is exhibited throughout our words as each character strives to lighten the heavy burden pending death has placed on the other cast Hope too is a recurring member of the troupe It appears at various times and roles only to be destroyed by death But hope not fear and sorrow in the final act overcomes death to become the savior of the ones left to carry on the business of the next race In these future races the race of all life is leveraged to last only so long before all chips must be turned in for the final accounting Since we cannot be victorious in this race with death how does one keep score On the final scorecard only how we have run the race matters at all Therefore the true measure of our life is based on the choices and decisions we make as we run the course to its inevitable conclusion **The Adventures Of Tom & Jeff, The Boy Scouts** jeffery Clinkenbeard,2012-04-17 Also see this
