Louis XIV Raphael Dargent:

Paris Sous Louis XIV Auguste Maquet, 1883 **Woven Gold** Charissa Bremer-David, 2015-12-15 Meticulously woven by hand with wool silk and gilt metal thread the tapestry collection of the Sun King Louis XIV of France represents the highest achievements of the art form Intended to enhance the king's reputation by visualizing his manifest glory and to promote the kingdom's nascent mercantile economy the royal collection of tapestries included antique and contemporary sets that followed the designs of the greatest artists of the Renaissance and Baroque periods including Raphael Giulio Romano Rubens Vouet and Le Brun Ranging in date from about 1540 to 1715 and coming from weaving workshops across northern Europe these remarkable works portray scenes from the bible history and mythology As treasured textiles the works were traditionally displayed in the royal palaces when the court was in residence and in public on special occasions and feast days They are still little known even in France as they are mostly reserved for the decoration of elite state residences and ministerial offices This catalogue accompanies an exhibition of fourteen marvelous examples of the former royal collection that will be displayed exclusively at the J Paul Getty Museum at the Getty Center from December 15 2015 to May 1 2016 Lavishly illustrated the volume presents for the first time in English the latest scholarship of the foremost authorities working in the field Practical French Course in Fifty Lessons Raphaël D'Amour, 1908 Networks and Practices of Connoisseurship in the Global Eighteenth Century Valérie Kobi, Kristel Smentek, Chonja Lee, 2023-12-31 The 18th century was the age of the connoisseur It was also an era of an expanding global consciousness born of accelerating trade and imperial conquest This volume puts into dialogue the consolidation of connoisseurship as an empirical mode of artistic analysis in Europe and Asia and the increasing exposure to different modes of artmaking facilitated by local and global networks over the course of the long 18th century Focusing on exchanges between India Japan China and Europe the contributors to this volume examine the complex and nuanced impacts on connoisseurial practice of encounters with artworks from different regions of the globe the international networks that made those encounters possible and the intricate transactions through which connoisseurial knowledge of art was generated Expansive focus on practices and networks in India Japan and Europe in the 18th century Complexities and asymmetries of connoisseurship in an expanding world , **L'Affaire Raphaël** **Levy** Pierre Birnbaum, 2008-10-29 En septembre 1669 Raphaël Levy se rend Metz pour y acheter un shofar et du vin pour célébrer le lendemain soir le nouvel an juif Ce même jour Glatigny petit village situé sur la route qui mène de Boulay Metz Mangeotte Villemin s'aperçoit de la disparition de son fils le petit Didier Le Moyne âgé de trois ans Un cavalier affirme avoir vu Raphaël Levy portant un enfant sous son manteau Tout s'éclaircit les Juifs ont enlevé un enfant chrétien pour célébrer leurs fêtes L'accusation de meurtre rituel surgit ainsi en France au moment même où s'achève la chasse aux sorcières Dans une Lorraine des frontières au statut politique incertain traversée sans cesse par des guerres et des famines le mythe réapparaît intact alimenté par une Contre-Réforme militante Au terme d'un long procès dont les pièces sont pour la première fois ici présentées de manière

exhaustive durant lequel d'innombrables habitants ont s'immergés dans une culture locale faite en dépit de liens étroits de sociabilité de préjugés et de fantasmes suscités par une population juive fidèle à ses rituels et ses valeurs. Non seulement les Juifs sont supposés tuer de jeunes enfants pour s'emparer de leur sang mais ils s'en prendraient galement le vendredi saint au cours de cérémonies sataniques la sainte hostie. Raphaël est soumis aux tortures les plus effroyables avant d'être conduit au bûcher. L'État qui protège frénétiquement ses Juifs intervient trop tardivement. Louis XIV parvenant seulement à faire libérer les autres Juifs emprisonnés. En ce Grand Siècle on s'affirme la raison et la science un vent de folie s'est brutalement abattu sur Metz. Puis c'est un long silence il faudra attendre l'affaire Dreyfus pour que l'affaire Raphaël-Lévy resurgisse avant de s'effacer. Nouveau de la mémoire collective. Professeur maître de science politique Paris I membre de l'Institut universitaire de France Pierre Birnbaum enseigne actuellement New York. Il est l'auteur de nombreux ouvrages parus chez Fayard relatifs à l'État et aux Juifs en France depuis deux siècles. La République juive Les Fous de la République Le Moment antisémite L'Aigle et la Synagogue Raphaël et l'art français Jean-Pierre Cuzin, Jacques Thuillier, Martine Vasselin, 1983-01-01 T00:00:00+01:00 Cet ouvrage est une réédition numérique d'un livre paru au XXe siècle désormais indisponible dans son format d'origine.

Luxury After the Terror Iris Moon, 2022-04-01 When Louis XVI was guillotined on January 21 1793 vast networks of production that had provided splendor and sophistication to the royal court were severed. Although the king's royal possessions from drapery and tableware to clocks and furniture suites were scattered and destroyed many of the artists who made them found ways to survive. This book explores the fabrication circulation and survival of French luxury after the death of the king. Spanning the final years of the ancien régime from the 1790s to the first two decades of the nineteenth century this richly illustrated book positions luxury within the turbulent politics of dispersal disinheritance and dispossession. Exploring exceptional works created from silver silk wood and porcelain as well as unrealized architectural projects Iris Moon presents new perspectives on the changing meanings of luxury in the revolutionary and Napoleonic periods a time when artists were forced into hiding exile or emigration. Moon draws on her expertise as a curator to revise conventional accounts of the so-called Louis XVI style arguing that it was only after the revolutionary auctions liquidated the king's collections that their provenance accrued deeper cultural meanings as objects with both a royal imprimatur and a threatening reactionary potential. Lively and accessible this thought-provoking study will be of interest to curators art historians scholars and students of the decorative arts as well as specialists in the French Revolution. *The Index Guide to Travel and Art-study in Europe ...* Lafayette Charles Loomis, 1889
