Love Affairs Old Maid:

The Love Affairs of an Old Maid Lilian Bell, 1902 **The Love Affairs of an Old Maid** Lilian Bell, 2008-10-01 To morrow I shall be an Old Maid What a trying thing to have to say even to one s self and how vexed I should be if anybody else said it to me Nevertheless it is a comfort to be brutally honest once in a while to myself I do not dare I do not care to be so to everybody But with my own self I can feel that it is strictly a family affair If I hurt my feelings I can grieve over it until I apologize If I flatter myself I am only doing what every other woman in the world is doing in her innermost consciousness and flattery as honest as flattery from one s own self naturally would be could not fail to please me Besides it would have the unique value of being believed by both sides a situation in the flattery line which I fancy has no rival It is well to become acquainted with one s self at all hazards and as I am going to be my own partner in the rubber of life I can do nothing better than to study my own hand The Love Affairs of an Old Maid Lillian Lida Bell, 2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *The Love Affairs of an Old Maid* Lilian Bell, 2019-12-10 In *The Love Affairs of an Old Maid* Lilian Bell explores the intricate emotional landscape of a middle aged woman navigating the complexities of love and desire in a society that often dismisses her age Written in a distinctively witty and ironic style Bell crafts an engaging narrative that blends humor with poignant reflections on societal norms and the often overlooked romantic aspirations of older women Set against the backdrop of a rapidly changing early 20th century America the novel captures the tension between individual longing and cultural expectations offering a rich tapestry of relationships that are both relatable and profound Lilian Bell an accomplished author and journalist was known for her keen observations of social mores and human relationships which she masterfully encapsulated in her writing Her own experiences as a woman navigating the literary world and societal constraints of her time deeply informed her portrayal of the protagonist s struggles and desires Bell s unique perspective as a pioneer female author adds layers of authenticity and depth to her characters making their journeys resonate even today Readers seeking a thoughtful and humorous examination of unfulfilled love and societal perceptions of aging will find *The Love Affairs of an Old Maid* a captivating and insightful read It invites us to reflect on the nature of love how it transcends age and societal norms making it a timeless exploration that deserves a place in contemporary discourse **Illinois Women Novelists in the Nineteenth Century** Bernice E. Gallagher, 1994 **The Love Affairs of an Old Maid and Looking Toward Sunset** Lilian Bell, Lydia Maria Child, 2007-01-01 To morrow I shall be an Old Maid What a trying thing to have to say even to one s self and how vexed I should be if anybody else said it to me Nevertheless it is a comfort to be brutally honest once in a while to myself I do not

dare I do not care to be so to everybody But with my own self I can feel that it is strictly a family affair If I hurt my feelings I can grieve over it until I apologize If I flatter myself I am only doing what every other woman in the world is doing in her innermost consciousness and flattery as honest as flattery from one s own self naturally would be could not fail to please me Besides it would have the unique value of being believed by both sides a situation in the flattery line which I fancy has no rival It is well to become acquainted with one s self at all hazards and as I am going to be my own partner in the rubber of life I can do nothing better than to study my own hand So to harrow up my feelings as only I dare to do I write down that it is really true of me that I passed the first corner five years ago and to morrow I shall be 30 What a disagreeable figure a 3 is I never noticed it before It looks so self satisfied And as to that fat hollow 0 which follows it I always did detest round numbers 30 there it goes again I must accustom myself to it privately so I write it down once more and it laughs in my face and mocks me Then I laugh back at it and say aloud that it is true and for the time being I have cowed it and become its master What boots it if the laughter is a trifle hollow There is no harm in deceiving two miserable little figures Let me revel in my youth while I may To night I am a gay young thing of twenty nine To morrow I shall be an Old Maid I have very little time left in which to make myself ridiculous and have it excused on account of my youth But somehow I do not feel very gay I have a curious feeling about my heart as if I were at a burial one where I was burying something that I had always loved very dearly but secretly and which would always be a sweet and tender memory with me I feel nervous too quite as if I did not know whether to laugh or to cry I remember that Alice Asbury said she was hysterical just before she was married I wonder if a woman s feelings on the eve of being an Old Maid are unlike those of one about to become a bride My cat sits eying me with sleepy approval I always liked cats And tea Why have I never thought of it before It is not my fault that I am an Old Maid I was cut out for one All my tendencies point that way Please don t blame me good people Come here Tabby You and Missis will grow old together After all it is a sad thing when one realizes for the first time that one s youth is slipping away But why Why do women of great intelligence of intellect even blush with pleasure at the implication of youth There are fashions in thought as well as in dress and the best of us follow both as sheep follow their leader We will sometimes follow our neighbor s line of insular prejudice when worlds could not bribe us to copy her grammar or her gowns Dull people admire youth They excuse its follies they adore its prettiness That it is only a period of education and that real life begins with maturity does not enter into their minds The odor of bread and butter does not nauseate them Dull people I say and God pity us most of us are dull admire youth Men love it Therefore we all want to be young We strive to be young nay we will be young I am no better than my neighbors I too am young when I am with people But there are times when I am alone when the strain of being young relaxes and I luxuriate in being old old old when I cease being contemporary and look back fondly to the time when the world and I were in embryo And yet I wonder if extreme age is as repulsive to everybody as it is to me Forty seems a long way off I fancy people at forty become very uninteresting to the oncoming generation Fifty is grandmotherly and suitable for

little else Sixty seventy and beyond seem to me one horrible jumble of wrinkles and wheezes and false beauty and general unpleasantness Oh I hope if I should live to be over fifty that I may be a pleasant old person I hope my teeth will fit me and the parting to my wave be always in the middle I hope my fingers will always come fully to the ends of my gloves and that I never shall wear my spectacles on top of my head But I hope more than all that it isn't wicked to wish to die before I come to these things Before I entirely lose my youth in other words before I become an Old Maid let me see what I must give up Lovers of course That goes without saying And if I give them up it will not do to have their photographs standing around They must be oh and their letters must they too be destroyed Dear me no I'll just fold them all together and lay them away like a wedding dress which never has been worn And I'll put girls pictures or missionaries or martyrs into the empty frames Martyrs would be most appropriate The Instinct of Step-fatherhood Lilian Bell, 1898 *The Play Pictorial* ,1904 **The Romance of a Shop** Amy Levy, 2019-11-25 In *The Romance of a Shop* Amy Levy weaves a rich narrative that captures the struggles and aspirations of four sisters navigating the complexities of late Victorian society The novel unfolds in a unique blend of realism and romanticism as Levy employs a poignant and often ironic style to explore themes such as gender roles female autonomy and the commodification of art Set against the backdrop of London's bustling marketplace the story delves deeply into the sisters pursuit of independence through their attempts to run a photography shop making it a vivid exploration of entrepreneurial spirit in an era often constrained by societal expectations Amy Levy a trailblazing figure in the world of Victorian literature was known for her keen observations on the challenges faced by women of her time As a member of the first wave of feminism her own experiences as a Jewish woman in a male dominated literary scene profoundly influenced her writing This personal and cultural context enabled Levy to create relatable characters and scenarios that resonate with truth and urgency reflecting her own aspirations for self empowerment and artistic expression Recommended for both literary scholars and general readers alike *The Romance of a Shop* serves as a compelling examination of female agency within a patriarchal society Levy's insightful prose and complex characterizations invite readers to reflect on issues of identity economic independence and the transformative power of ambition making it a vital addition to the feminist literary canon *The Literary World* ,1904 **Godey's Lady's Book** ,1836 Includes music The Writer ,1896 **The Writer** William Henry Hills, Robert Luce, 1896 **Literature** ,1898 *From a Girl's Point of View* Lilian Bell, 1897 *Good Housekeeping ...* ,1915 **Good Housekeeping Magazine** ,1915 **Scribner's Monthly** Josiah Gilbert Holland, Richard Watson Gilder, 1913 **Mothers, Mammies and Old Maids** Axel Nissen, 2014-01-10 Continuing the exploration which began in *Actresses of a Certain Character* Forty Familiar Hollywood Faces from the Thirties to the Fifties McFarland 2006 this companion volume analyzes the contributions of female supporting players in the films of Hollywood's Golden Age The twenty five actresses profiled herein range from the easily recognizable Marie Dressler Ethel Waters to the long forgotten Esther Howard Evelyn Varden and from the prolific Clara Blandick Mary Forbes to the one work wonders Jane Cowl Queenie

Vassar Each profile captures the essence of the individual performer s on screen persona unique talents and popular appeal with special emphasis on a single definitive performance of the actress s motion picture career who for example could ever forget Josephine Hull in Harvey The appendix offers a list of The 100 Top Performances by Character Actresses in Hollywood 1930 1960 **Cassell's Family Magazine** ,1895
