Love Sex Again:

Love Sex Again Lauren Streicher, 2014-04-22 Love Sex Again is an all encompassing guide to women's sexual health from Dr Lauren Streicher a cutting edge Gynecologist and a regular on TheDr Oz Show Ladies what if one of America's leading sexual specialists and Gynecologist told you that she knew your body better than you did What if she told you that she could fix the problems that are making your sex life less than perfect More than 100 million women in America have problems in the bedroom but don't have the courage to ask their doctors for help These problems don't come from relationship issues or the stresses of work and family These are real physical issues that are getting in the way of a vibrant joyful sex life Instead of getting the help they need so many women make a silent deal with themselves without fanfare without discussion they quietly give up on pleasure or drastically compromise their expectations where sex is concerned Sometimes women make this deal with themselves early on in their 20s or 30s for other women it doesn't hit until their 40s 50s or later Most women lack the vocabulary to talk about these issues with their doctors not to mention the pharmaceutical aids that are readily available to men But no longer Dr Streicher will show women how to regain their libido determine what their issues are and learn to fix whatever is broken down there This much anticipated book will set women on a path to discovering or rediscovering deeply pleasurable satisfying sex She offers practical advice for real women of all ages from childbearing to post menopausal and explains what a woman needs to know about her body where she is in her life and her relationships and how it connects to a satisfying sex life *Once Again, Here We Go Again...* Andrew S.
