Love, the Fulfilling of the Law Norman Macleod, 1887. **THE POWER OF THE YOKES** Carlton Foster, 2020. The Power of The Yoke tackles head-on the importance of starting off children the right way during the early years of life. The things that happen to children, whether good or bad during the early years, will have a significant impact later throughout the rest of their lives. The book deals with issues that could yoke people and prevent them from fulfilling their destiny. The yoke is not for the present but it is for the future. The yoke is a symbol of servitude. The book helps you to recognize the competing forces and voices that will prevent you from becoming all that God has planned for your life. You are equipped to recognize the abundance of yokes. You are reminded that your life has worth and exposes the many snares that Satan sets to enslave you, causing you to live life short of what God destined you to become.
