## **Love And Basketball Memoirs Of Life:**

**Love & Basketball** C. Grooms, 2013-02-12 *LOVE BASKETBALL* Memoirs of Life examines the complex and intertwined relationships between sports and society. The poems delve into the topics of empowerment, love, racial discrimination, and poverty. Through the eyes of a young man who has dreams and aspirations of becoming a professional basketball player, Grooms expounds on his own life experiences in the inner city, taking the reader on the journey into adulthood. The game of basketball was supposed to be an escape from the harsh realities of life, but he finds out that the game teaches you life lessons on and off of the court. C. Grooms invites you to take a closer look at your own life and see how similar we all are. If you've ever played sports, been in love, or lived in the inner city, this book is for you. **Love and Basketball** Nicole Jackson, 2016-11-21 She was determined to keep him out. Nyesha had a simple rule that always kept her heart protected: basketball over boys, especially the player types. Making basketball her life had been the easy part, but when Dustin Watts, the biggest player of them all, suddenly wants more than just friendship, Nyesha has to try to keep him away before he sneaks his way into her heart. He was determined to keep her close. Dustin had absolutely no interest in getting to know the boring Nyesha Jenkins, whom he had grown up with, but when the opportunity to get her to finally let loose came up, he just had to take it. From crazy exes to houses burning down, and don't forget basketball, join these two as they make their last year of high school something to remember. But one question remains: Can Nyesha really have love and basketball? [All Stories Are True](#) Tracie Church Guzzio, 2011-05-17 In *All Stories Are True*, Tracie Church Guzzio provides the first full-length study of John Edgar Wideman's entire oeuvre to date. Specifically, Guzzio examines the ways in which Wideman, born 1941, engages with three crucial themes: history, myth, and trauma throughout his career, showing how they intertwine. Guzzio argues that for four decades, the influential African American writer has endeavored to create a version of the African American experience that runs counter to mainstream interpretations, using history and myth to confront and then heal the trauma caused by slavery and racism. Wideman's work intentionally blurs boundaries between fiction and autobiography, myth and history, particularly as that history relates to African American experience in his hometown of Pittsburgh, Pennsylvania. The fusion of fiction, national history, and Wideman's personal life is characteristic of his style, which, due to its complexity and smudging of genre distinctions, has presented analytic difficulties for literary scholars. Despite winning the PEN Faulkner award twice for *Sent for You Yesterday* (1984) and *Philadelphia Fire* (1990), Wideman remains understudied. Of particular value is Guzzio's analysis of the many ways in which Wideman alludes to his previous works. This intertextuality allows Wideman to engage his books in direct intentional dialogue with each other through repeated characters, images, folktales, and songs. In Wideman's challenging of a monolithic view of history and presenting alternative perspectives to it, and his allowing past, present, and future time to remain fluid in the narratives, Guzzio finds an author firm in his notion that all stories and all perspectives have merit. **Mothers, Myths and Memories: Personal Tales Of Love, Loss And The Lives We Carry.** Payal Shandil
