and feel of a summer spent in intimate contact with the natural world The Aesthetic Cold War Peter I. Kalliney, 2024-12-10 How decolonization and the cold war influenced literature from Africa Asia and the Caribbean How did superpower competition and the cold war affect writers in the decolonizing world In The Aesthetic Cold War Peter Kalliney explores the various ways that rival states used cultural diplomacy and the political police to influence writers In response many writers from Africa Asia and the Caribbean such as Chinua Achebe Mulk Raj Anand Eileen Chang C L R James Alex La Guma Doris Lessing Ng g wa Thiong o and Wole Sovinka carved out a vibrant conceptual space of aesthetic nonalignment imagining a different and freer future for their work Kalliney looks at how the United States and the Soviet Union in an effort to court writers funded international conferences arts centers book and magazine publishing literary prizes and radio programming International spy networks however subjected these same writers to surveillance and intimidation by tracking their movements tapping their phones reading their mail and censoring or banning their work Writers from the global south also suffered travel restrictions deportations imprisonment and even death at the hands of government agents Although conventional wisdom suggests that cold war pressures stunted the development of postcolonial literature Kalliney's extensive archival research shows that evenly balanced superpower competition allowed savvy writers to accept patronage without pledging loyalty to specific political blocs Likewise writers exploited rivalries and the emerging discourse of human rights to contest the attentions of the political police A revisionist account of superpower involvement in literature The Aesthetic Cold War considers how politics shaped literary production in the twentieth century Bernard Shaw's Bridges to Chinese <u>Culture</u> Kay Li,2016-11-10 This book explores the cultural bridges connecting George Bernard Shaw and his contemporaries such as Charles Dickens and Arthur Miller to China Analyzing readings adaptations and connections of Shaw in China through the lens of Chinese culture Li details the negotiations between the focused and culturally specific standpoints of eastern and western culture while also investigating the simultaneously diffused multi focal and comprehensive perspectives that create strategic moments that favor cross cultural readings With sources ranging from Shaw's connections with his contemporaries in China to contemporary Chinese films and interpretations of Shaw in the digital space Li relates the global impact of not only what Chinese lenses can reveal about Shaw s world but how intercultural and interdisciplinary readings can shed new light on familiar and obscure works alike **Around the World in 80 Books** David Damrosch, 2021-11-16 A transporting and illuminating voyage around the globe through classic and modern literary works that are in conversation with one another and with the world around them Featured in the Chicago Tribune's Great 2021 Fall Book Preview One of Smithsonian Magazine's Ten Best Books About Travel of 2021 Inspired by Jules Verne's hero Phileas Fogg David Damrosch chair of Harvard University's department of comparative literature and founder of Harvard's Institute for World Literature set out to counter a pandemic s restrictions on travel by exploring eighty exceptional books from around the globe Following a literary itinerary from London to Venice Tehran and points beyond and via authors from Woolf and Dante to Nobel Prize

winners Orhan Pamuk Wole Soyinka Mo Yan and Olga Tokarczuk he explores how these works have shaped our idea of the world and the ways in which the world bleeds into literature To chart the expansive landscape of world literature today Damrosch explores how writers live in two very different worlds the world of their personal experience and the world of books that have enabled great writers to give shape and meaning to their lives In his literary cartography Damrosch includes compelling contemporary works as well as perennial classics hard bitten crime fiction as well as haunting works of fantasy and the formative tales that introduce us as children to the world we re entering Taken together these eighty titles offer us fresh perspective on enduring problems from the social consequences of epidemics to the rising inequality that Thomas More designed Utopia to combat as well as the patriarchal structures within and against which many of these books heroines have to struggle from the work of Murasaki Shikibu a millennium ago to Margaret Atwood today Around the World in 80 Books is a global invitation to look beyond ourselves and our surroundings and to see our world and its literature in new ways

Animation in China Sean Macdonald, 2015-11-06 By the turn of the 21st century animation production has grown to thousands of hours a year in the People's Republic of China PRC Despite this and unlike American blockbuster productions and the diverse genres of Japanese anime much animation from the PRC remains relatively unknown This book is an historical and theoretical study of animation in the PRC Although the Wan Brothers produced the first feature length animated film in 1941 the industry as we know it today truly began in the 1950s at the Shanghai Animation Film Studio SAFS which remained the sole animation studio until the 1980s Considering animation in China as a convergence of the institutions of education fine arts literature popular culture and film the book takes comparative approaches that link SAFS animation to contemporary cultural production including American and Japanese animation Pop Art and mass media theory Through readings of classic films such as Princess Iron Fan Uproar in Heaven Princess Peacock and Nezha Conquers the Dragon King this study represents a revisionist history of animation in the PRC as a form of postmodernism with Chinese characteristics As a theoretical exploration of animation in the People's Republic of China this book will appeal greatly to students and scholars of animation film studies Chinese studies cultural studies political and cultural theory The Hall of Uselessness Simon Leys, 2013-07-30 An NYRB Classics Original Simon Leys is a Renaissance man for the era of globalization A distinguished scholar of classical Chinese art and literature and one of the first Westerners to recognize the appalling toll of Mao's Cultural Revolution Leys also writes with unfailing intelligence seriousness and bite about European art literature history and politics and is an unflinching observer of the way we live now The Hall of Uselessness is the most extensive collection of Leys's essays to be published to date In it he addresses subjects ranging from the Chinese attitude to the past to the mysteries of Belgium and Belgitude offers portraits of Andr Gide and Zhou Enlai takes on Roland Barthes and Christopher Hitchens broods on the Cambodian genocide reflects on the spell of the sea and writes with keen appreciation about writers as different as Victor Hugo Evelyn Waugh and Georges Simenon Throughout The Hall of Uselessness is marked

with the deep knowledge skeptical intelligence and passionate conviction that have made Simon Leys one of the most powerful essavists of our time Eileen Chang: The Performativity of Self-Translation Jessica Tsui-yan Li,2025-06-16 Eileen Chang The Performativity of Self Translation by Jessica Tsui yan Li focuses on the self translation of Zhang Ailing Eileen Chang 1920 1995 one of the most important Chinese writers of the twentieth century Although self translation is overlooked in most studies of her work Chang's literary achievements are attributed in part to her lifelong self translation of her lived experiences and family sagas as well as her bilingualism This book enriches current studies of self translation by proposing a new hypothesis of theorizing self translation as a performative act characterized by its in betweenness and the aesthetic freedom that the self translator enjoys contextualized within larger debates about translation and the specific practice of self translation in Chinese history in comparison to its Western counterpart Historical Dictionary of Modern Chinese Literature Li-hua Ying, 2021-11-15 Modern Chinese literature has been flourishing for over a century with varying degrees of intensity and energy at different junctures of history and points of locale An integral part of world literature from the moment it was born it has been in constant dialogue with its counterparts from the rest of the world As it has been challenged and enriched by external influences it has contributed to the wealth of literary culture of the entire world In terms of themes and styles modern Chinese literature is rich and varied from the revolutionary to the pastoral from romanticism to feminism from modernism to post modernism critical realism psychological realism socialist realism and magical realism Indeed it encompasses a full range of ideological and aesthetic concerns This second edition of Historical Dictionary of Modern Chinese Literature presents a broad perspective on the development and history of literature in modern China It offers a chronology introduction bibliography and over 400 cross referenced dictionary entries on authors literary and historical developments trends genres and concepts that played a central role in the evolution of modern Chinese literature You'll **Enjoy It When You Get There** Elizabeth Taylor, 2014-09-23 AN NYRB CLASSICS ORIGINAL Elizabeth Taylor is finally beginning to gain the recognition due to her as one of the best English writers of the postwar period prized and praised by Sarah Waters and Hilary Mantel among others Inheriting Ivy Compton Burnett's uncanny sensitivity to the terrifying undercurrents that swirl beneath the apparent calm of respectable family life while showing a deep sympathy of her own for human loneliness Taylor depicted dislocation with the unflinching presence of mind of Graham Greene But for Taylor unlike Greene dislocation began not in distant climes but right at home It is in the living room playroom and bedroom that Taylor stages her unforgettable dramas of alienation and impossible desire Taylor's stories many of which originally appeared in The New Yorker are her central achievement Here are self improving spinsters and gossiping girls war orphans and wallflowers honeymooners and barmaids mistresses and murderers Margaret Drabble's new selection reveals a writer whose wide sympathies and restless curiosity are matched by a steely penetration into the human heart and mind On the Margins of Modernism Christopher Rosenmeier, 2017-02-27 Introduces popular 1940s Chinese authors and explores their

influence on Chinese literature Xu Xu and Wumingshi were among the most widely read authors in China during and after the Second Sino Japanese War 1937 1945 but although they were an integral part of the Chinese literary scene their bestselling fiction has been given scant attention in histories of Chinese writing This groundbreaking book the first book lenghth study of Xu Xu and Wumingshi in English or any other western language re establishes their importance within the popular Chinese literature of the 1940s With in depth analyses of their innovative short stories and novels Christopher Rosenmeier demonstrates how these important writers incorporated and adapted narrative techniques from Shanghai modernist writers like Shi Zhecun and Mu Shiying contesting the view that modernism had little lasting impact in China and firmly positioning these two figures within the literature of their times Fills a gap in Chinese literary historyFocuses on two of the most popular Chinese authors of the 1940sDevelops a wider argument about the influence of Shanghai modernism on Chinese wartime literature Novels in Three Lines Félix Fénéon, 2011-08-17 A NEW YORK REVIEW BOOKS ORIGINAL Novels in Three Lines collects more than a thousand items that appeared anonymously in the French newspaper Le Matin in 1906 true stories of murder mayhem and everyday life presented with a ruthless economy that provokes laughter even as it shocks This extraordinary trove undiscovered until the 1940s and here translated for the first time into English is the work of the mysterious F lix F n on Dandy anarchist and critic of genius the discoverer of Georges Seurat and the first French publisher of James Joyce F n on carefully maintained his own anonymity toiling for years as an obscure clerk in the French War Department Novels in Three Lines is his secret chef doeuvre a work of strange and singular art that brings back the long ago year of 1906 with the haunting immediacy of a photograph while looking forward to such disparate works as Walter Benjamin's Arcades Project and the Death and Disaster series of Andy Warhol The Widow Georges Simenon, 2008 The Widow begins with the chance encounter of two outcasts One is the widow herself Tati Still young she hasn t had an easy time of it even if she's not about to complain She lives with her father in law on the family farm putting up with his unwelcome attentions working her fingers to the bone improving the property and knowing all the time that her late husband s sister is scheming to seize it and drive her away The other is a killer Just out of prison and in search of a new life Jean meets up with Tati who hires him as a handyman and then takes him to bed Everything goes swimmingly until Jean develops a liking for the girl next door Readings in Chinese Women's Philosophical and Feminist Thought Ann A. Pang-White, 2022-12-01 Readings in Chinese Women's Philosophical and Feminist Thought gathers 40 original writings on women by 32 authors many of whom are women from the Yuan dynasty to the Republics an important 700 year historical period during which women s learning in China blossomed as a result of economic prosperity the development of commercial printing and the interaction between East and West Selections are made not only from canonical texts on women s virtues but also from less orthodox literary works such as plays poetry novels essays and revolutionary writings that illuminate the lived experience of women and the perception of gender With many texts translated into English for the first time this reader

Utopianism in the Contemporary Chinese Context David Der-wei Wang, Angela Ki Che Leung, Zhang Yinde, 2020-04-05 Utopia and Utopianism in the Contemporary Chinese Context Texts Ideas Spaces decisively demonstrates the extent to which utopianism has shaped political thought cultural imaginaries and social engagement after it was introduced into the Chinese context in the nineteenth century In fact pursuit of utopia has often led to action such as the Chinese Revolution and the Umbrella Movement and contested consequences Covering a time span that goes from the late Qing to our days the authors show that few ideas have been as influencing as utopia which has compellingly shaped the imaginaries that underpin China s historical change Utopianism contributed to the formation of the Chinese state itself shaping the thought of key figures of the late Qing and early Republican eras such as Kang Youwei and Sun Yat sen and outlived the labyrinthine debates of the second half of the twentieth century both under Mao s rule and during the post socialist era Even in the current times of dystopian narratives a period in which utopia seems to be less influential than in the past its manifestations persistently provide lifelines against fatalism or cynicism This collection shows how profoundly utopian ideas have nurtured both the thought of crucial figures during these historical times the new generation of mainland Chinese and Sinophone intellectuals and the hopes of twenty first century Hong Kong activists Wang Leung and Zhang's collection is a timely contribution to utopian studies built on consistent coherent boundary crossing approaches Interdisciplinary in its very sense the essays bring intellectual history literary studies philosophy and political theories together in dialogue Of particular note are the essays that situate Hong Kong in a literary tradition that connects China Hong Kong and the beyond Mingwei Song Wellesley College Utopia and Utopianism in the Contemporary Chinese Context is an impressive intellectual undertaking The essays are highly engaging and offer powerful multi faceted approaches to utopianism in contemporary Chinese thought and practice Stimulating and informative the book as a whole addresses the dynamic interplay between the utopian and dystopian thereby inspiring clarity in political thought and action in the present moment Robin Visser University of North Carolina at Chapel Hill
