**WINNING THE INVISIBLE WAR WITH CHRIST** Akinbowale Isaac Adewumi, 2020-07-16 The reality of the invisible world and its wars is evinced by tangible realities in the physical ephemeral sphere Sometimes abstract scenes from the dream world appearing in form of sweet dreams or nightmares in human subconscious mind metamorphose into real life experiences to say the least The enigma that stems from these ethereal perspectives seems to stick in the silver lining of our day to day activities irrespective of any personal persuasion religious belief or freethinking conviction It is clear from these indications that the physical is largely ruled by the spiritual and that prevailing events in the affairs of mankind are the resultant effects of the sublime and impalpable causes There are invisible courts where decisions are made and verdicts are passed which influence visible happenings on this side of the divide and reflect such streaks in the elemental system in an unhinged manner It is mostly characterized by annoying recurrent misfortunes Author Isaac Adewumi in *Winning the Invisible War with Christ* proposes to people from all walks of life that invisible wars are inevitable and can only be won through Christ Who created all things He canvasses to the reader that the deployment of formidable spiritual arsenals listed in the book would put man in charge of his destiny give him his deserved dominion and guarantee his championship for the best in life instead of slaving under the domination of some cosmic forces
