

## Japanese Love

Your love hides behind the phantasy stamps  
From the root of the snowed cherry tree  
The sun rising over the tops of pagodas  
Is as perfid as you are.

The black lilies from the garden  
Don't shelter treasures under them  
But the snake with jade heart  
And divine sign on its forehead  
Yearning for the earth to tremble

Waiting for the white-skinned prey.

**Love Haiku** Patricia Donegan, 2015-01-20 An exquisite collection of love poems in a striking gift book format published just in time for Valentine's Day Haiku is celebrated as a concise form of poetry able to convey a singular moment with great clarity While haiku most often depicts the natural world when focused on the elements of love and sensuality haiku can be a powerful vehicle for evoking the universal experience of love In this elegant anthology love is explored through beautiful images that evoke a range of feelings from the longing of a lover to the passion of a romantic relationship Written by contemporary Japanese poets as well as by haiku masters such as Bashō Buson and Issa these poems share not only the haiku poets' vision for love but their vision of the poignant moments that express it **In Praise of Japanese Love Poems** Regina Sara Ryan, Lee Lozowick, 1994-01-01 This book is enigmatic We are afforded the luxury of sinking deeply into the emotions of love gained and love lost *Woodnotes Haiku Journal* **The Ink Dark Moon** Ono no Komachi, Izumi Shikibu, 2015-01-21 These translated poems were written by two women of the Heian court of Japan between the ninth and eleventh centuries A D The poems speak intimately of their authors' sexual longing fulfillment and disillusionment [One Hundred More Poems from the Japanese](#) Kenneth Rexroth, 1976 The poems are representative of a large range of classical medieval and modern

poetry but the emphasis is on folk songs and love lyrics Because women have had such an outstanding role in Japanese literature included here are selections from the work among others of the remarkable early twentieth century poet Yosano Akiko and more contemporary deeply sensuous Marichiko      **200 Haiku Love Poems** Adrian Tanase,2020-01-12 In this haiku love poem book I am delivering an underlying message that is not only about romance and romantic love but even more about the sacred feelings perceptions and sophisticated moods that deeper love creates These poems perfectly express that spiritual and sweet aspect of love that we can find sometimes in a soulmate relationship This collection of 3 line haikus is always a great moodsetter and it is able to rekindle the flame of love while clearly portraying that mystical joy of the heart that appears when two people are in love with each other
