

Magical Moments

Child: John Age: 6 Observer: Sofiya Date: 10.11.2022

Mark set at the art/writing table for about ten minutes. He worked independently, trying out different pens and colours. He nearly always used his left hand, often using a "fist grip" to hold the pens. He then presented his work to me and said "this is a letter for you. Read it."

Child's Learning

Mark appears to be showing a preference to use his left hand when writing/drawing and is trying out ways to hold a pen. His "letter" showed a mixture of lines at different angles and repeated patterns.

Outcomes

Children have a strong sense of identity
Children are connected with and contribute to their world

What's Next

Tomorrow I will give Mark an envelop with his name written on it, containing a letter from me to Mark that thanks him for his letter.
