Magical Tattwa Cards A Complete System Of Self Development:

Magical Tattwa Jonn Mumford, 1997 THE GREAT SECRET By Carl Llewellyn Weschcke How many times has someone promised to reveal the Great Secret that will bring you Wealth Health Power and Love Like many people I am sure this has happened to you more than once Well did you get this Great Secret Or should I ask did it bring you the Wealth Health Power and Love you wanted I bet not regardless of how much money you paid for that Great Secret But that doesn't mean there isn't a Great Secret that will enable you to obtain all the material things you want A half century ago a little recognized American occultist named Ophiel told me that the greatest contribution from the eastern world to western esotericism was to be found in the Hindu Tantric practices involving the Tattwas Later I learned that work with the Tattwas had been incorporated into the magical practices of the famous Hermetic Order of the Golden Dawn back in the late 1800s And then in 1971 a brilliant Australian teacher Dr Jonn Mumford taught me how to activate the Tattwas in my own mind And why That's where the Great Secret starts in your MIND What are these Tattwas The Tattwas are the five elements not four not 92 and not 110 that make up the foundations of our Material World in combination with the two fundamental forces of Consciousness and Energy The Tattwas are the forms of Energy behind the manifestation of all Matter Remember Einstein's famous equation $E=mc^2$ where E stands for Energy and m stands for Matter It demonstrates that every substance in the world is made up of these five elemental energies Universal Mind including our individual minds is itself Energy and it is this energetic connection that enables you with your mind to access and work with these fundamental energies and forces behind all material manifestation The Tattwas are represented in printed images that are then called Yantras A Yantra is defined by Mumford as a tool for focusing the mind encouraging conception and invoking or evoking elemental forces All quotations in this article are taken from his book *Magical Tattwas* 1997 which is included with 25 Tattwa cards and one ritual card in a boxed set It is also important to more clearly describe the function of the Tattwa cards as information storage and retrieval devices of amazing potency They are the primary building blocks from which all magical symbols sigils talismans ciphers and designs are composed The Tattwa triggers the psychic layers of our mind through the compressed power of its geometrical shape the primal colors vibrating forth and the implied numerical concepts in each shape The Miracle of the One Thing Through Mind everything is connected and it is by means of powerful symbols that your mind enters into the five elements Look at the following table

Element	Tattwa	Energy Type	Manifest State	Symbol	Shape	Color	Eastern Chakras	Location
Earth	Prithivi	Mechanical Energy	Congement	Cube	Square	Yellow	Muladhara	Pelvic Floor
Water	Apas	Chemical Energy	Fluid	Precipitation	Crescent	Moon	Crescent	Silver
