Magickal Judaism Connecting Pagan And Jewish Practice:

Magickal Judaism Jennifer Hunter, 2006 A first of its kind a synthesis of pre monotheistic Hebrew history mainstream and alternative Judaism ceremonial magic and eclectic NeoPaganism to create spells meditations rituals and holiday traditions Infuses NeoPagan rituals with the living breathing rites of the Jewish people revealing a liberating new spirituality Appealing to those Jewish by birth Pagan by practice or drawn to both Jewish and Pagan paths Magickal Judaism provides all the tools necessary for creating a new holistic and integrated religious way **Christianity and Rabbinic Judaism** Jonas E.

Alexis, 2011-12 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus's deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis **The Horned Altar** Tess Dawson, 2013 Raw Real Ancient And nearly forgotten To practice Canaanite magic is to honor a spiritual ancestry that until now was beyond our understanding Reawakening the beliefs of an ancient religion The Horned Altar reveals how to transform the Canaanites rich culture of myth and ritual into a modern magical practice Explore Canaanite secrets that were recorded on cuneiform tablets over three thousand years ago Discover how to forge relationships with deities and how to revitalize your passions Learn the truth about a civilization unfairly portrayed as the blood soaked villains of the Bible Contemplate the deities of Canaan and the alphabets of the era make a Babylonian demon protection bowl and cast spells for healing love and protection Feel the call of the ancient deities and connect to a spiritual ancestry that is older and deeper than anything you've ever experienced
