A Lady of Resources: A steampunk adventure novel featuring smart, brave women Shelley Adina, 2019-12-21 You can choose your friends but you cannot choose your family or can you? Now sixteen the twins Lizzie and Maggie are educated young ladies who have not been called the Mopsies in years except by their guardian Lady Claire Trevelyan. With the happy prospect of choosing their own future the girls can leave their dodgy past behind and Lizzie can bury her deepest childhood memories where they can do no harm. But is she ready to be separated from Maggie and become the woman she believes she was meant to be? Or will old habits tempt her into defiance like picking the wrong man's pocket and plunge her into disaster? But sometimes disaster leads to dreams coming unexpectedly true: dreams of family and a place in the world Lizzie must decide whether her true family is the one she was born to or the one she chose long ago when the Lady of Devices steamed into their lives. This story is an excellent introduction into a new chapter in the Magnificent Devices series showing the world can continue even with Lady Claire taking a back seat. This makes me immensely happy because it means one of my favourite steampunk series now has nearly infinite scope for continuation and expansion. May the series continue going from strength to strength.

Fangs for the Fantasy on A Lady of Resources A Lady of Resources is the fifth novel in the Magnificent Devices steampunk cozy fantasy series. Books 5 and 6 form a duet. No strong language just a very proper kiss or two and a satisfying solution. If you like books by Gail Carriger, Lindsay Buroker or Emma Jane Holloway you're in the right place. Enjoy.

**Her Own Devices** Shelley Adina, Shelley Adina Bates, 2011-12-22 Book 2 of the Magnificent Devices series. Escaped lunatics, lost children, vengeful lords and love. Really the situation is becoming quite impossible. Seventeen-year-old Lady Claire Trevelyan left alone after the Arabian Bubble financial disaster claims home and family now leads the cleverest gang in the London underworld. Between outwitting a rival gang, inventing a device that will net her and her scientist employer worldwide fame and keeping her mother from marrying her off she can almost forget that a powerful lord wants to get closer and if he succeeds can destroy it all with a single word.

Brilliant Devices (Large Print Hardcover) Shelley Adina, 2025-02-15 A lady of resources has the power to change the world if she can stay alive long enough to do it. Lady Claire Trevelyan had been looking forward to glittering balls, congenial society and relief from pursuit during her stay with Lord and Lady Dunsmuir in the Canadas. Though being pursued by a handsome airship captain is rather satisfying especially when it appears Andrew Malvern is becoming distracted by a certain blond mechanic. But a shot fired in the night puts an end to such diversions and instead plunges her and her orphaned band of children into a fight for their very survival. Between secret conversations at the highest levels of society and skullduggery in the diamond mines Claire must discover who is behind the attempts on her friends' lives before her mother is compelled to make funeral arrangements yet again. I have a big grin on my face which is my Magnificent Devices grin. It's impossible not to smile your way through this book. It's such swashbucklingly good fun. The tone

has that wonderful lightness of humour and joy that keeps up in even the direst of situations At the same time it wonderfully maintains the sense of time and place the Victorian feel the language the class the clothing the attitudes are all extremely vivid carefully maintained and at times gloriously lampooned Fangs for the Fantasy on Brilliant Devices Brilliant Devices is the fourth large print hardcover novel in the Magnificent Devices steampunk cozy fantasy series with books 1 4 forming a quartet No strong language just a very proper kiss or two and a satisfying solution Enjoy
