Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the Lion of the Lord. HC 7:434, the prophet, seer, and revelator, President Brigham Young.

Our Divine Identity Joshua Savage, 2023-04-17 Everything starts with identity. Our identity affects what we see, value, believe, and act upon. And no identity is more fundamental than we are children of God. Romans 8:16. But what we often fail to understand is that our heavenly heritage is both a fact and a choice. The challenges of the modern world make devoting our whole selves to following the Lord and His servants increasingly difficult. Too often we fail to examine the forces influencing our thoughts, so we confine ourselves to beliefs and positions that are contrary to the commandments of God. Advancing beyond the perimeter of our mental fences requires a new way of thinking and acting. In *Our Divine Identity*, author Joshua Savage reaches out to those who struggle to make sense of current events and the Lord's commandments and offers tools to navigate obstacles with clarity and reason. As you explore the influences that shape who you are and what you believe, you will learn how to prioritize your divine identity as a child of God and see things as they really are and really will be. Discover how to identify the many facets of identity that govern your thoughts and actions; use the nine tools of knowing to process and evaluate new and old information; find the patience and faith to keep moving forward even with limited knowledge. Embracing your divine identity is an ongoing process of self-discovery and truth-seeking. With the tools in this book, make informed steps to unlock your eternal potential as a child of God.
