Maharashtra Public Works Manual:

The Maharashtra Public Works Manual Maharashtra (India). Buildings and Communications Dept,1965 **Select List of Recent Publications** East-West Center. Library,1966 **Auditing Public Works and Projects** ,1990 **Accessions List, India** American Libraries Book Procurement Center, New Delhi,1968 **Employment Guarantee Programme and Dynamics of Rural Transformation in India** Madhusudan Bhattarai,P.K. Viswanathan,Rudra N. Mishra,Cynthia Bantilan,2018-06-08 This book offers an assessment of the performance impact and welfare implications of the world's largest employment guarantee programme the Mahatma Gandhi National Rural Employment Guarantee Act MGNREGA Launched by the Indian government the programme covers entire rural area of the country The book presents various micro level analyses of the programme and its heterogeneous impacts at different scales almost a decade after its implementation While there are some doubts over the future of the scheme as well as its magnitude nature and content the central government appears committed to it as a convergence scheme of various other welfare and rural development programmes being implemented at both national and state level The book discusses the outcomes of the programme and offers critical insights into the lessons learnt not only in the context of India but also for similar schemes in countries in South and South East Asia as well as in Africa and Latin America Adopting inter disciplinary perspectives in analysing these issues this unique book uses a judicious mix of methods integrating quantitative and qualitative tools and will be an invaluable resource for analysts NGOs policymakers and academics alike **Public Works as a Safety Net** Kalanidhi Subbarao,Carlo del Ninno,Colin Andrews,Claudia Rodríguez-Alas,2012-12-11 A review of the conceptual underpinnings and operational elements of public works programs around the world drawing from a rich evidence base and analyzing previously unassimilated data to fill a gap in knowledge related to public works programs now so popular Subject Catalog Library of Congress,1970

The Universal Social Safety-Net and the Attack on World Poverty Anthony Clunies-Ross,Mozammel Huq,2013-10-30 The book is concerned with strategy and tactics for directing that small slice of world income into filling the gap This must be done country by country on the initiative of each country's government with the maximum involvement of its own civil society and with the rich world also making a contribution To add momentum the international community needs to adopt targets far more specific than the fifty percent extreme poverty reduction of the first Millennium Development Goal **The Future of Asian Feminisms** Nursyahbani Katjasungkana,Saskia E. Wieringa,2011-10-18 This book on the future of Asian feminisms confronting fundamentalisms conflicts and neo liberalism is a critical contribution to the rising voices of Asian women's studies scholars and activists It is based on the ongoing research and advocacy work of the Kartini Asia Network founded in 2003 in Manila The five overlapping themes of the network are women gender studies fundamentalisms conflicts livelihood and sexuality Considering that the economic and political weight of the region is growing fast and that the 21st century has been named the Asian century Asia is increasingly recognised as the continent to which economic if not political power will

shift in the coming decades The chapters brought together in this volume demonstrate the great diversity of the transversal cultural flow that women s movements within Asia provide Members of the Kartini network stimulate the articulation of a particular Asian voice in women s studies and in the global women s movement Considering the existing patriarchal structures all over the continent a continuum of oppressions enfolds from the global sphere of market exchange to emerging fundamentalisms and to bitter conflicts and struggles around sexualities The present volume provides elements for the critical dialogues that are needed between women in the region between women and men between people in all sorts of strategic positions and between theoreticians in the Global South and the Global North to create a world in which human dignity is not eroded by predatory economic processes and in which democracy diversity pluralism and inclusivity are the guiding principles of governance

Sustainable Development and Planning III A. Kungolos,2007 In recent years in many countries there has been an increase in spatial problems that has led to planning crisis Planning problems often connected with uneven development deterioration of the quality of urban life and destruction of the environment The increase urbanisation of the world coupled with global issues of the environmental pollution resource shortage and economic restructuring demand that we make our cities places worth living in Problems of environmental management and planning are not restricted to urban areas Environments such as rural areas forests coastal regions and mountains face their own problems that require urgent solutions in order to avoid irreversible damages The use of modern technologies in planning gives us new potential to monitor and prevent environmental degradation Effective strategies for management should consider planning and regional development two closely related disciplines and emphasise the demand to handle these matters in an integrated way Containing papers presented at the Third International Conference on Sustainable Development and Planning this book addresses the subjects of regional development in an integrated way as well as in accordance with the principles of sustainability Notable topics include Regional Planning City Planning Rural Development Environmental Impact Assessment Environmental Management Environmental Legislation and Policy Integrated Territorial and Environmental Risk Analysis Ecosystems Analysis Protection and Remediation Social and Cultural Issues Environmental Economics Geo Informatics Urban Landscapes Transportation Waste Management and Resources Management

Building Planning and Drawing Aparna Dwivedi,2025-06-01 For Protection and Promotion Margaret Grosh,Carlo Del Ninno,Emil Tesliuc,Azedine Ouerghi,2008-08-25 Safety nets are noncontributory transfer programs targeted to the poor or vulnerable They play important roles in social policy Safety nets redistribute income thereby immediately reducing poverty and inequality they enable households to invest in the human capital of their children and in the livelihoods of their earners they help households manage risk both ex ante and ex post and they allow governments to implement macroeconomic or sectoral reforms that support efficiency and growth To be effective safety nets must not only be well intended but also well designed and well implemented A good safety net system and its programs are tailored to country circumstances adequate in their

coverage and generosity equitable cost effective incentive compatible and sustainable Good safety nets are also dynamic and change over time as the economy changes or as management problems are solved and new standards are set Drawing on a wealth of research policy and operational documents from both academia and the World Bank s work in over 100 countries For Protection and Promotion provides pragmatic and informed guidance on how to design and implement safety nets including useful information on how to define eligibility and select beneficiaries set and pay benefits and monitor and evaluate programs and systems The book synthesizes the literature to date and enriches it with new examples on various program options cash transfers conditional and unconditional in kind transfers price subsidies fee waivers and public works It concludes with a comprehensive diagnostic for fitting safety net systems and programs to specific circumstances

Social Investment and Social Welfare James Midgley,Espen Dahl,Amy Conley Wright,2017-05-26 This book contributes to the growing literature on social investment by discussing the way social investment ideas have been adopted in different countries and in various academic and professional fields including social policy development studies and non profit management Documenting the experience of implementing social investment in different communities it encourages a One World perspective that integrates these diverse experiences and promotes policy learning between different nations
