The Complete Guide to Choosing a Cruising Sailboat Roger Marshall, 1999-05-21 Roger Marshall noted yacht designer has written the perfect guide for choosing the right cruising sailboat Starting with a questionnaire that helps the reader picture his or her ideal boat he takes them step by step through the nitty gritty of the decision making process determining the right hull shape seaworthiness comfort and ease of handling real costs ease of maintenance and more
Publisher's description

The Rules in Practice 2025-2028 Bryan Willis, 2024-10-22 Every four years the Racing Rules of Sailing are updated following the Olympics To help the sailor World Sailing labels important changes with marginal markings For the new rules coming into force on 1st January 2025 there are quite a lot of marginal markings A third of the Definitions are marked including Sail the Course Mark Room Obstruction and Continuing Obstruction Nearly a third of the rules in Part 2 When Boats Meet are marked including Avoiding Contact Mark Room Room to Pass an Obstruction All of the rules in Part 5 Protests Redress Hearings Misconduct and Appeals are marked That's quite a lot of changes You need a new set of rules and to understand the implications of the changes you need a guide to them Rules in Practice has been the best selling guide to the racing rules of sailing for the last 40 years Now in its 11th edition it has been updated for and contains in full the 2025 2028 Racing Rules of Sailing To begin Rules in Practice describes the latest rule changes and their implications for sailors The book then covers the fundamental rules that always apply to sailors along with a detailed look at the rules around luffing and keeping clear which were an eye opener to many sailors when they were first published in the last edition As always throughout the book the emphasis is on the practical impact on you as a sailor rather than a theoretical discussion of the rules themselves This is brought to life in the rest of the book which takes you around the racecourse from start to finish through the key situations that frequently occur showing from the point of view of each boat in turn what you may must or must not do Other rules guides take you through the rules in order which is just not how you come across them on the racecourse You don't have to know all the rules off by heart but you do need to know your rights and obligations on the water the rules can be looked up afterwards This knowledge will build your confidence while racing and enable you to make the most of opportunities when they arise Colour diagrams throughout ensure concepts are easily understood If you are going to buy one rule book make it this one
