The Garden of Values - Part 3 RAJNISH KUMAR,2025-09-01 Sanskar Sarovar 3 sheds light on those aspects of life that we often forget in the hustle and bustle of everyday living Today s society is changing rapidly competition showmanship and materialism often compel us to question where true happiness lies in what direction our values are moving and what the path to a meaningful life should be This book covers themes that are deeply tied to our everyday experiences and behavior Be it the significance of hospitality the evils of gossip and lies the burden of studies the importance of compassion and selflessness or the role of decisions each chapter invites the reader to pause reflect and engage in self examination The book is not only for children and youth but equally valuable for parents and teachers who guide the younger generation The thoughts are

expressed in simple and accessible language so that every reader can understand and apply them in life Each topic ends with a takeaway a message that lingers in the mind and inspires action This collection of values and life reflections is not just about imparting knowledge It is about encouraging deeper thought nurturing understanding and showing the way to becoming a better human being Imagine a young child who hides their mistakes out of fear If the parent scolds harshly the child learns to lie more But if the parent gently explains the consequences the child learns honesty Or consider a classroom where one student mocks another for being too polite if the teacher highlights politeness as strength rather than weakness that one lesson may stay for life These everyday scenarios often unnoticed are the very seeds of character building I sincerely hope that this book touches your heart and inspires positive transformation in your life *JAIIB Exam 2024 (Paper 1, 2, 3, 4)*
