*Majestic Mandalas Adult Coloring Book* Orna Ben-Shoshan, 2015-11-16 Let your imagination soar and color this Majestic Mandalas Adult Coloring Book Pages are SINGLE SIDED This adult coloring book has over 30 unique and creative mandalas originally designed by the artist Orna Ben Shoshan to give you the best coloring experience When we color a line illustration we make it our own The coloring process becomes even more relaxing and therapeutic when we color mandalas When we work with mandalas either drawing or coloring them we take part in an evolving story that starts from a center and spreads out to the margins The center of the mandala represents the core the central point of our being and the margins represent the external shields that cover it We need the marginal elements to face the outside world This calming creative activity helps us connect with our own energetic center and therefore to our true selves As we do so we forget the background noises and have the opportunity to get into a meditative and serene state of mind Therefore coloring mandalas is a super addictive activity with vibrant and playful results Enjoy Coloring
