THOMAS, OF THE ARMY OF THE UNITED STATES (CLASSIC REPRINT)*. UNKNOWN. AUTHOR,2022 *The Life of Major-General George H. Thomas (Classic Reprint)* Thomas B. Van Horne,2015-07-08 Excerpt from The Life of Major General George H Thomas General Thomas once said to the author Time and history will do me justice He however desired that a narrative history of the Army of the Cumberland should precede all biographical representations of himself It is probable that he overestimated the direct and suggestive force of such a narrative to effect his own vindication and it is certain that he did not anticipate the disparaging tenor of histories published since his death Justice has not been done him in the opinion of multitudes who believe him to have been a very great man and general and there is therefore need of a book which has been written to give the well defined reasons for this belief Private and family letters have been excluded from this volume in deference to General Thomas expressed opinion that no strictly personal communications should be published except with the consent of those writing them For the details of operations which have been analyzed and discussed the reader is referred to my History of the Army of the Cumberland and Captain Ruger s accompanying Atlas from which have been taken reduced battle maps for this volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Major-General George H. Major-General George H. Thomas John Watts Depeyster,2017-07-13 Excerpt from Major General George H Thomas The Annual Address Delivered Before the New York Historical Society Tuesday Evening January 5 1875 All the virtues and general abilities ascribed to the mythical Virginian of a century since all the virtues and military excellence credited to the idol of Southern worship in the present generation all these belonged in reality in a greater degree to the man whom the masses do not seem to have been able to appreciate on account of the very simplicity which was his peculiar characteristic He has no parallel except Epaminondas the greatest of the ancient Greeks and Gustavus the foremost man of all this modern world Like the grand Swede he was one who was never dismayed nor puzzled from early manhood till the hour of his death And why Because his whole entity moral mental and physical could be likened to nothing so well as to a cube a body representing mathematical perfection in the entire equality of all its parts This figure conveys the thorough solidity exact poise nice adjustment and perfect distribution of every characteristic necessary to complete one of the Godlike men on whom common mortals build their trust About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic

Smith, Jr.,2015-02-20 From 1861 to 1865 the Civil War raged along the great rivers of the Ohio and Mississippi valleys While various Civil War biographies exist none have been devoted exclusively to participants in the Western river war as waged down the Mississippi to the mouth of the Red River and up the Ohio the Tennessee and the Cumberland Based on the Official Records county histories newspapers and internet sources this is the first work to profile personnel involved in the fighting on these great streams Included in this biographical encyclopedia are Union and Confederate naval officers down to the rank of mate enlisted sailors who won the Medal of Honor or otherwise distinguished themselves or who wrote accounts of life on the gunboats army officers and leaders who played a direct role in combat along Western waters political officials who influenced river operations civilian steamboat captains and pilots who participated in wartime logistics and civilian contractors directly involved including shipbuilders dam builders naval constructors and munitions experts Each of the biographies includes where known birth death and residence data unit organization or ship involvement in the river war pre and post war careers and source documentation Hundreds of individuals are given their first historic recognition **George Henry Thomas** Brian Steel Wills,2019-06-09 Although often counted among the Union s top five generals George Henry Thomas has still not received his due A Virginian who sided with the North in the Civil War he was a more complicated commander than traditional views have allowed Brian Wills now provides a new and more complete look at the life of a man known to history as The Rock of Chickamauga to his troops as Old Pap and to General William T Sherman as a soldier who was as true as steel While biographers have long been hampered by Thomas s lack of personal papers Wills has drawn on previously untapped sources notably the correspondence of Thomas s contemporaries to offer new insights into what made him tick Focusing on Thomas s personality and motivations Wills contributes revealing discussions of his style and approach to command and successfully captures his troubled interactions with other Union commanders providing a particularly more evenhanded evaluation of his relationship with Grant He also gives a more substantial account of battlefield action than can be found in other biographies capturing the ebb and flow of key encounters Chickamauga and Missionary Ridge Chattanooga and Atlanta Stones River and Mill Springs Peachtree Creek and Nashville to help readers better understand Thomas s contributions to their outcomes Throughout Wills presents a well rounded individual whose complex views embraced the worlds of professional military service and scientific inquisitiveness a man known for attention to detail and compassion to subordinates We also meet a sharp tempered person whose disdain for politics hurt his prospects for advancement as much as it reflected positively on his character and Wills offers new insight into why Thomas might not have progressed as quickly up the ladder of command as he might have liked More deeply researched than other biographies Wills s work situates Thomas squarely in his own time to provide readers with a more

thorough and balanced life story of this enigmatic Union general It is a definitive military history that gives us a new and needed picture of the Rock of Chickamauga a man whose devotion to duty and ideals made him as true as steel *Sale* Anderson Galleries, Inc,1919 **The Literary World** ,1876 *Journal* Military Service Institution of the United States,1915 *The Greenhill Dictionary of Military Quotations* Peter G. Tsouras,2020-05-18 A massive and valuable collection of quotes about war from soldiers commanders strategists and others The Spectator This volume brings four thousand years of military history to life through the words of more than eight hundred diverse personalities Napoleon Machiavelli Ataturk Che Guevara Rommel Julius Caesar Wellington Xenophon Crazy Horse Wallenstein T E Lawrence Saladin Zhukov Eisenhower and many more to build a comprehensive picture of war across the ages Broken down into more than 480 categories including courage danger failure leadership luck military intelligence tactics training guerrilla warfare and victory this definitive guide draws on the collected wisdom of those who have experienced war at every level From the brutality and suffering of war to the courage and camaraderie of soldiers to the glory and exhilaration of battle these quotes offer an insight into the turbulent history of warfare and the lives and deeds of great warriors A massive compilation casting light not only upon the pain suffering and sheer insanity of war but also upon the unique comradeship and exhilaration of battle this is a valuable addition to the literature of reference The Spectator
