Edwin Carlisle, 2017-05-13 How would your life be if you had a thicker longer and stronger Penis What about out of this world Stamina Sure your confidence in yourself and your relationships with women would be much different If you would want all of this things and much more continue reading I can see you reading the words and wondering if there s some easy way to improve your performance Well I have news for you To be able to give a girl what she most craves for you have to put in the effort particularly if you weren t born with a natural ability to use what you have to advantage You re not alone and what you may not realize is that even men with average sized penises can have a supernatural sex life provided that they put in their homework and prepare themselves for the ride of their lives You may wonder what kind of guy writes a book like this but the fact is that I was brought up with brothers and also came into contact with many men during the course of my college years who fired blanks when it came to performance They just didn t have what it takes or did they I saw guys actually comparing sizes in the locker room but when I suggested to them that their performance wasn t all about circumference or length they scoffed the idea I have to be honest While I was enjoying a very healthy sex life and giving girls exactly what it was that they wanted these were the same guys who continued to be losers because they were not prepared to take any responsibility for their performance If you were one of them hey buddy it s now or never You can increase the size of your penis You can improve your thrust but most of all you can enjoy extended lovemaking without disappointing either yourself or the lady you are lucky enough to be sharing your bed with My lady would happily give you a testimony because she knows I learned a very long time ago what makes a difference Suffer from anxiety in bed Have no fear I have you covered in this book which shows you methods that you can employ to get over those performance issues and be confident that you have what it takes to please her I have included details even for those men who have difficulties following prostate problems The exercises are easy are well explained and comprehensive and you will find that in no time at all you will have upper your game and will be able to give her what it is that she wants from the relationship So if you are ready to change your performance in bed from mediocre to screaming level step this way because the lady you have chosen to share your manhood with deserves the best you can give her It isn t all about you and when you begin to accept that fact and get off your macho high horse you can actually give yourself reason to be able to brag even if it s only in the privacy of the bedroom Here Is A Preview Of What You ll Learn
