*What You Practice Is What You Have* Cheri Huber,2024-11-02 Our lives are the result of what we practice For example if we practice chasing after money or I'm overwhelmed with work or things should be different that's the life experience we will have Focusing on something wrong and not enough will create a life of lack or failure If we want our lives to be different we must practice the difference we want To have a different practice we must 1 recognize our current practice 2 clarify the practice we want instead and 3 learn to practice moment by moment what we choose The sequel to Cheri Huber's perennial best seller *There Is Nothing Wrong with You Going Beyond Self Hate* this book further exposes with clarity and humor the antics of mental conditioning and self hate It introduces the powerful practice of Recording and Listening with tools and techniques to develop the relationship with the Wisdom Love and Compassion that allow us to transcend self hate I Don't Want To, I Don't Feel Like It Ashwini Narayanan,Cheri Huber,2024-05-29 Whether it's a choice such as a class we've signed up for or a chore we feel we have no choice about resistance a voice in the head saying I don't want to I don't feel like it can rocket us from commitment to inaction in a matter of seconds Employing the tenets of Zen Awareness Practice the book provides numerous exercises and tools for working through resistance It reveals how the voice of resistance operates in everyday life the many forms it takes and how to be free of it Transcending resistance is a practice of recognizing it as a process that happens to everybody and not taking it personally *Suffering Is Optional* Cheri Huber,2024-03-20 Suffering Is Optional Three Keys to Freedom and Joy centers around three basic aspects of Zen practice pay attention believe nothing and don't take anything personally As ending suffering requires that one sees how suffering happens the book urges readers to be willing to be quiet and pay attention to the process of suffering in an effort to see each moment as an opportunity to step beyond illusion into freedom It also argues that examining beliefs abandoning them and returning attention to the present is essential to ending suffering as is living in the awareness that nothing in the universe is personal
