Decision Intelligence For Dummies Pam Baker, 2022-02-08 Learn to use and not be used by data to make more insightful decisions. The availability of data and various forms of AI unlock countless possibilities for business decision makers. But what do you do when you feel pressured to cede your position in the decision making process altogether? *Decision Intelligence For Dummies* pumps the brakes on the growing trend to take human beings out of the decision loop and walks you through the best way to make data informed but human driven decisions. The book shows you how to achieve maximum flexibility by using every available resource and not just raw data to make the most insightful decisions possible. In this timely book you'll learn to make data a means to an end rather than an end in itself by expanding your decision making inquiries. Find a new path to solid decisions that includes but isn't dominated by quantitative data. Measure the results of your new framework to prove its effectiveness and efficiency and expand it to a whole team or company. Perfect for business leaders in technology and finance. *Decision Intelligence For Dummies* is ideal for anyone who recognizes that data is not the only powerful tool in your decision making toolbox. This book shows you how to be guided and not ruled by the data.
