Making Sense of the Father-Daughter Husband-Wife Connections Keith Mills (Pastor), 2010 There is a powerful connection within a woman's heart between her father daughter relationship and the relationship she shares with her husband This is true regardless of culture creed or religion Even the scientific world agrees What happens then when a woman doesn't receive everything from her father daughter relationship that God intended Is there any hope for a woman who never had a dad around Or what about a woman who had a great relationship with her dad but is still left with something missing Those are HUGE questions because the answers are generational God knows how to help these intertwined relationships though and this book makes it easy to understand what His plan is why it's easy to miss and how to get back on track This book will help husbands wives daughters and fathers to understand their intertwined relationships how to heal from what may be left over and how to take back what's been taken away from them Further this book answers questions such as the following in a nonjudgmental way Why can't we connect on a deeper level as husband and wife What does my daughter need from me Why does a dad back off Why do some women keep going after the wrong men What can a single mom do for her daughter if there is no dad around
