The Shadow World Andrew Feinstein, 2011-11-08 The Shadow World presents the behind the scenes tale of the global arms trade exposing in forensic detail the deadly collusion that too often exists among senior politicians weapons manufacturers felonious arms dealers and the military a situation that compromises our security and undermines our democracy Now a major PBS documentary An authoritative guide to the business of war Chilling heartbreaking and enraging Arundhati Roy Andrew Feinstein reveals the cover ups behind a range of weapons deals from the largest in history between the British and Saudi governments to the guns for diamonds deals in Africa and the current 60 billion U S weapons contract with Saudi Arabia Based on pathbreaking reporting and unprecedented access to top secret information The Shadow World takes us into a clandestine realm that is as vitally important as it is shocking

**The Carbon Footprint of our Primary Energy Sources** Mukul M. Sharma, 2025-05-15 The Carbon Footprint of our Primary Energy Sources supplies readers with a comprehensive accessible analysis of the carbon footprints of a range of primary energy sources including crude oil natural gas coal solar energy wind energy geothermal energy hydroelectric energy and nuclear energy and biofuels and their carbon footprints employing a full lifecycle assessment LCA of each primary energy source It furnishes both the foundation and a tool for estimating carbon footprints for a range of energy systems The work culminates in a cost benefit analysis of these primary energy sources With the significant uptick of global investment in alternative energies and the global focus on reducing emissions this text delivers an important foundational overview understanding of these systems and an opportunity for teachers and readers to apply learnings to their own energy consumption choices Presents foundational information about various energy systems and quantifies their carbon footprint Raises awareness among readers of their energy consumption and the primary sources of carbon emissions Equips policy makers and

engineers with the tools to calculate the carbon footprint of various energy sources Empowers readers to make informed energy decisions that support the reduction of carbon emissions Discusses the technologies options and costs of energy storage for intermittent sources of energy Presents the costs of carbon capture sequestration and utilization and its impact on energy prices for the consumer Summarizes valuable lessons learnt from our energy policy and choices over the past two decades     Popular Photography ,1995-09     *Victory Undone* Carter Andress,Malcolm McConnell,2014-10-20 Here is a dramatic first person account of how the United States won the war in Iraq only to see the peace lost by an unengaged administration with Iraqis terrorized and the new caliph of ISIS promising I ll see you in New York Military contractor Carter Andress was the ultimate boots on the ground civilian in Iraq While reporters aid workers diplomats and even U S soldiers were often cut off from the ground truth in Iraq by the blast walls protecting the Green Zone and our bases Andress was in the thick of things driving through insurgent infested territory negotiating with hostile tribes and witnessing the transformation of Iraq from chaos and violence to a stable multi ethnic multi sectarian democracy that needed only minimal American support to defend itself support however that thanks to the Obama administration was not forthcoming A page turner of a story but also an incredibly important account of what actually happened in the Iraq War and afterwards *Victory Undone* is a book every American needs to read     **Journal of Petroleum Technology** ,2005-07     *Ethical Dilemmas in the Global Defense Industry* Daniel Schoeni,Tobias Vestner,2023 The defense industry develops produces and sells weapons that cause great harm It operates at the intersection of the public and private sectors with increased reliance on technology companies This book brings together the diverse perspectives of scholars and practitioners from academia government service the military and the private sector to discuss the moral and legal challenges facing the global defense industry and to introduce solutions that are innovative effective and practical     *Michigan's Oil & Gas News* ,2009     **European**

**Developments in Corporate Criminal Liability** James Gobert,Ana-Maria Pascal,2011-06-10 When corporations carry on their business in a grossly negligent manner or take a cavalier approach to risk management the consequences can be catastrophic The harm may be financial as occurred when such well regarded companies as Enron Lehman Brothers Worldcom and Barings collapsed or it may be environmental as illustrated most recently by the Gulf oil spill Sometimes deaths and serious injuries on a mass scale occur as in the Bhopal gas disaster the Chernobyl nuclear explosion the Paris crash of the Concorde the capsizing of the Herald of Free Enterprise and rail crashes at Southall Paddington and Hatfield in England What role can the law play in preventing such debacles and in punishing the corporate offenders This collection of thematic papers and European country reports addresses these questions at both a theoretical and empirical level The thematic papers analyse corporate criminal liability from a range of academic disciplines including law sociology criminology economics philosophy and environmental studies whilst the country reports look at the laws of corporate crime throughout Europe highlighting both common features and irreconcilable differences between the various jurisdictions     **Gardeners'**
