Hammacher Vincent Van Gogh:

Spring Art Books Vincent van Gogh, A.M. Hammacher, Rijksmuseum Kröller-Müller, 1961 L'oeuvre de Vincent van Gogh. Catalogue raisonné. The works of Vincent van Gogh. His paintings and drawings. (Editorial board for the revised, augmented and annotated edition ... Abraham M. Hammacher, President and others .). Jacob Baart de LA FAILLE, Vincent van Gogh, Abraham Marie Hammacher, 1970 *A Real Van Gogh* Henk Tromp, 2025-10-01 Vincent van Gogh's paintings and drawings are fabulously expensive. Millions of people admire his work but are those masterpieces all genuine? To this day the international art world struggles to separate the real Van Goghs from the fake ones and the key question addressed in this book is what may happen to art experts when they publicly voice their opinions on a particular Van Gogh or not. The story starts with art expert J B de la Faille who discovered to his own bewilderment that he had included dozens of fake Van Goghs in his 1928 catalogue raisonné. He wanted to set the record straight but met with strong resistance from art dealers, collectors, critics, politicians and others marking the beginning of a fierce clash of interests that had seized the art world for many decades of the twentieth century. In his fascinating account of the struggle for the genuine Vincent van Gogh, Tromp shows the less attractive side of the art world. His reconstruction of many such confrontations yields a host of intriguing and sometimes bewildering insights into the fates of art experts when they bring unwelcome news. *A Real Van Gogh* shows how much resistance an art expert might meet when he discovers a fake Van Gogh. **Vincent Van Gogh** Vincent van Gogh, Colta Feller Ives, 2005 Presents a collection of the drawings of Vincent Van Gogh providing images of his works in charcoal, chalk, ink, graphite and watercolor and including essays the place each drawing in its historical context explaining its significance. **Vincent Van Gogh** Bogomila Welsh-Ovcharov, 1976 **Jo van Gogh-Bonger** Hans Luijten, 2022-11-03 It is so good after so many years of public indifference even hostility towards Vincent and his work to feel towards the end of my life that the battle is won. JO VAN GOGH BONGER TO GUSTAVE COQUIOT 1922 It is a sacrifice for the sake of Vincent's glory. JO VAN GOGH BONGER ON THE SALE OF THE SUNFLOWERS TO THE NATIONAL GALLERY UK 1924 Little known but no less influential Jo van Gogh Bonger was sister in law of Vincent van Gogh wife of his brother Theo. When the brothers died soon after each other she took charge of Van Gogh's artistic legacy and devoted the rest of her life to disseminating his work. Despite being widowed with a young son Jo successfully navigated the male dominated world of the art market publishing Van Gogh's letters organizing exhibitions in the Netherlands and throughout the world and making strategic sales to private individuals and influential dealers ultimately establishing Van Gogh's reputation as one of the finest artists of his generation. In doing so she fundamentally changed how we view the relationship between the artist and his work. She also lived a rich and fascinating life not only was she friends with eminent writers and artists but she also was active within the Social Democratic Labour Party and closely involved in emerging women's movements. Using rich source material including unseen diaries, documents and letters Hans Luijten charts the multi-faceted life of this visionary woman with the drive to

shake the art world to its core **Van Gogh And Gauguin** Bradley Collins,2019-05-20 Although Vincent van Gogh's and Paul Gauguin's artistic collaboration in the south of France lasted no more than two months their stormy relationship has continued to fascinate art historians biographers and psychoanalysts as well as film makers and the general public Van Gogh and Gauguin explores the artists intertwined lives from a psychoana Vincent Van Gogh Stuart Morris,2008 VINCENT VAN GOGH Few artists command such fervent devotion amongst art lovers and such high prices in the salerooms of the art world Love him or hate him Vincent van Gogh is one of a handful of artists who is now a cultural event Stuart Morris's study concentrates on the paintings first and employs van Gogh's eloquent letters as an aesthetic reference point Much of the book is concerned with metacriticism the way van Gogh has been critically received over the years Vincent van Gogh is one of the most celebrated of painters It's a bit of a mystery The mystery or irony is that his paintings have commanded the highest prices in the auction rooms of the contemporary art world 88 million dollars 53 million dollars and so on yet he only managed to sell one painting during his lifetime and he lived in poverty with financial support from his brother Theo Why is Vincent van Gogh so popular His legend has developed relatively rapidly His art is loved by the critics and public The crazy prices paid for single oil paintings are the manifestations of the fervour that van Gogh seems to generate He is one of the handful of painters who cause great excitement every time exhibitions of his work are put on One thinks also of Claude Monet Leonardo da Vinci Michelangelo Buonaroti and Pablo Picasso These are artists that the public go mad for so that when they are exhibited there are huge queues trailing around the block The 1990 centenary celebrations of poor Vincent showed how much he is exalted There were films about him discussions and conferences TV documentaries magazine articles reviews letters and much merchandize was sold to the great glee of the manufacturers posters tea towels calendars mugs souvenirs of all kinds What would the dishevelled obsessive man who painted those small canvases in the years up to 1890 in Southern France make of the amazing fuss that now surrounds his work What would van Gogh think of just one of his paintings being bought for 88 million dollars It is a huge sum even in today's expensive world You could build a hospital or two with the money Imagine it Did Vincent know that when he painted those blue irises on that small standard size canvas that it would one day be worth millions of dollars I shall count myself very happy if I can manage to work enough to earn my living for it worries me a lot when I think that I have done so many pictures and drawings without ever selling one Like the workers he depicted in numerous images Vincent van Gogh himself worked very hard to improve his art With a dogged determination van Gogh copied the Old Masters as well as Japanese prints His determined self education and self improvement paid off resulting in more than 800 paintings in about 8 years The years of van Gogh's art are relatively few nearly all of the important works were made in the decade 1880 90 Hence his paintings are credited in art history books with the month and sometimes the day as well as the year of production For most artists 1889 would suffice For van Gogh the credit is October 1889 Producing 800 paintings in 8 years is an average of a hundred per year or one every three and a half days More likely
