Handbook Of Culture And Consumer Behavior:

Handbook of Culture and Consumer Behavior Sharon Ng,Angela Y. Lee,2015-03-10 In this volume experts from a variety of disciplines and perspectives trace the historical development of culture research in consumer psychology and examine the theoretical underpinnings that account for these findings and the current state of the field **Handbook of Developments in Consumer Behaviour** Victoria Wells,G. R. Foxall,2012-01-01 This Handbook examines the area of consumer behaviour from the perspective of current developments and developing areas for the discipline to new opportunities that comprehend the nature of consumer choice and its relationship to marketing Consumer research incorporates perspectives from a spectrum of long established sciences psychology economics and sociology This Handbook strives to include this multitude of sources of thought adding geography neuroscience ethics and behavioural ecology to this list Encompassing scholars with a passion for researching consumers this Handbook highlights important developments in consumer behaviour research including consumer culture impulsivity and compulsiveness ethics and behavioural ecology It examines evolutionary and neuroscience perspectives as well as consumer choice Undergraduate and postgraduate students and researchers in marketing with interests in consumer behaviour will find this enriching resource invaluable The SAGE Handbook of Consumer Culture Olga Kravets,Pauline Maclaran,Steven Miles,Alladi Venkatesh,2018-01-01 The question of consumption emerged as a major focus of research and scholarship in the 1990s but the breadth and diversity of consumer culture has not been fully enough explored The meanings of consumption particularly in relation to lifestyle and identity are of great importance to academic areas including business studies sociology cultural and media studies psychology geography and politics The SAGE Handbook of Consumer Culture is a one stop resource for scholars and students of consumption where the key dimensions of consumer culture are critically discussed and articulated The editors have organised contributions from a global and interdisciplinary team of scholars into six key sections Part 1 Sociology of Consumption Part 2 Geographies of Consumer Culture Part 3 Consumer Culture Studies in Marketing Part 4 Consumer Culture in Media and Cultural Studies Part 5 Material Cultures of Consumption Part 6 The Politics of Consumer Culture **Multifaceted Explorations of Consumer Culture and Its Impact on Individuals and Society** Burns, David J.,2018-10-12 Consumer culture influences virtually all activities within modern societies and has become an important area of study for businesses Logical analysis of consumer behavior is difficult as humans have different reasons for repeatedly buying products they need or want and it is challenging to follow why they buy unneeded or unwanted products regularly Without a comprehensive understanding of consumer culture as the basis market discussions become empty and produce little insight into the power consumers hold in affecting other individuals and society Multifaceted Explorations of Consumer Culture and Its Impact on Individuals and Society provides emerging research from different perspectives on the basis and ramifications of consumer culture as well as how it affects all aspects of the lives of individuals While providing a platform for exploring interpersonal interactions and
