Hebrews Coffman New Testament Commentaries Vol 1:

Life in the Son Robert Shank, 2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person's eternal destiny with God even if that person later stops following and trusting in Jesus Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in the unbeliever's eternal condemnation *Some Critical Themes In The Old Testament* Rev. Emmanuel W. Chea Jr., 2025-09-21 There has been no religious leader or theologian who has provided definite answers to critical themes like who the wife of Cain was clarification on the sons of God taking unto themselves the daughters of man as wives why Adam said Now this is bone of my bones and flesh of my flesh etc In this book these poignant questions and many more are addressed The Gospel According to the Trinity Nicholas S. Perez, 2025-04-22 The gospel begins with God God exists eternally as Father Son and Holy Spirit How does what we believe about the Trinity impact the redemption of people before time began in time all the way to when time is no more In *The Gospel According to Trinity* Nicholas S Perez takes readers from eternity to eternity exploring the work of the triune God in redeeming people While considering arguments from within his own ecclesiastical setting the Stone Campbell Movement he challenges understandings of the outworking of redemption that do not maintain Trinitarian harmony and agreement between the Father the Son and the Holy Spirit The result is a more consistent view of the gospel within a Trinitarian framework **Coffman Commentaries:** **Hebrews** James Burton Coffman, 1984 **Books in Print**, 1981 American Book Publishing Record Cumulative 1993 R R Bowker Publishing, 1994-03 Cited in BCL3 Sheehy and Walford Compiled from the 12 monthly issues of the ABPR this edition of the annual cumulation lists by Dewey sequence some 41 700 titles for books published or distributed in the US Entry information is derived from MARC II tapes and books submitted to R R Bowker an **Taming the Beast** Mark R. Sneed, 2021-11-08 Leviathan a manifestation of one of the oldest monsters in recorded history 3rd millennium BCE and its sidekick Behemoth have been the object of centuries of suppression throughout the millennia Originally cosmic terrifying creatures who represented disorder and chaos they have been converted into the more palatable crocodile and hippo by biblical scholars today However among the earliest Jews and Muslims and possibly Christians these creatures occupied a significant place in creation and redemption history Before that they formed part of a backstory that connects the Bible with the wider ancient Near East When examining the reception history of these fascinating beasts several questions emerge Why

are Jewish children today familiar with these creatures while Christian children know next to nothing about them Why do many modern biblical scholars follow suit and view them as minor players in the grand scheme of things Conversely why has popular culture eagerly embraced them assimilating the words as symbols for the enormous More unexpectedly why have fundamentalist Christians touted them as evidence for the cohabitation of dinosaurs and humans Religious Books and Serials in Print ,1982 Music in Worship Kennon D. Olson SR.,2011-12-13 Beginning from the garden of Eden all the way through the early church of Christ study and examine the Liturgy of worship as designed by God Written without the we are right and you are wrong mentality this study gives the reader an opportunity to learn what God has said without being condemned or judged for their religious conclusions It is the effort of this treaty to bring unity to a divided brotherhood in the churches of Christ by presenting honestly the things God has said over these very controversial subjects What does God really say about handclapping lifting holy hands praise teams and multiple song leaders and vocal bands Are these really a matter of choice or are they forbidden by the Lord This book examines these and many other concerns in great detail

Subject Guide to Books in Print ,1997 *Books in Print Supplement* ,1988 *A Biblical Approach to Mission in Context* Michael Ufok Udoekpo,2022-12-19 A Biblical Approach to Mission in Context is an erudite collection of twenty essays with forewords and epilogue produced to honor Professor Teresa Okure s contribution to the study of biblical theology in context It also stands in its own right as a vade mecum of current trends in biblical scholarship gender and contextual hermeneutics Written by an international array of respected scholars Okure s colleagues former students siblings and fellow commentators this volume includes detailed exegetical studies discussion on theological methods and contextual approaches from a variety of standpoints and an effort to relate biblical exegesis theology and inculturation faith hermeneutics to the current interest in social contextual interpretation that reflects values beyond the African context In sum the breadth of interests and enthusiasm found in this volume is a testimony to the intellectual and pastoral vitalities and passion that Teresa Okure herself brought to the discipline of biblical studies The brief narrative of personal encounter written by Bernadette Okure SHCJ forewords by John Cardinal Onaiyekan and Bishop Camillus Raymond Umoh as well as an insightful epilogue by Fr Aniedi Okure OP provide additional insight into the historical and socio cultural contexts within which Okure s formation and contributions unfolded *The Ministry of the Shepherd and the Church in Africa* ,2017-01-25 With over two million church leaders working in the more than ten million parishes congregations seminaries and houses of religious formation around the world it is important that all the people of God of every church have selfless church leaders who reflect the mind of Christ But how can church leaders learn to be true shepherds like Jesus whose selfless sacrifice of his life for his people set the standard for the pastoral ministry The Ministry of the Shepherd and the Church in Africa draws on a wide range of Old and New Testament texts to develop the biblical theology of the shepherd Ministry which encourages right shepherding and evangelization in the world of self serving leadership styles Focusing especially on the example of pastoral ministry in Africa

author and priest Cletus Chukwudi Imo explores some of the underlying attitudes of the pastor and the laity and challenges church leaders to adopt a role as shepherds and servants not as self serving masters so that they can lead guide and teach their congregations as Christ would. Because it can be easy for church leaders to get wrapped up in the sociocultural political and economic concerns of their parishes it is important for these church leaders to shed an undue focus on these concerns instead of shepherd their flocks. By modeling their lives and leadership on the ideals of Jesus church leaders including priests religious lecturers seminarians and even lay Christian parents alike can become true servants and shepherds honoring the example of Jesus the Good Shepherd.

Does God Send Natural Disasters? Troy J. Edwards, 2016-11-20 Many of our theologians have told us that God is the responsible agent for all of the natural evil that we suffer. These theologians and philosophers are not without their Biblical proof texts. For them Sodom and Gomorrah the flood of Noah the plagues of Egypt the trials of Job the end time events of the book of Revelation and other historical accounts recorded in Scripture provide sufficient evidence that God is behind most if not all natural disasters. This book will show us that by understanding how the permissive idiom of the Ancient Eastern and Hebrew cultures was used to describe God's actions we can get a fresh perspective of God's place in many of the natural disasters in Scripture that were attributed to Him. We will then see a loving God who is not destructive but actually does all that He can to save men from destruction without violating their freedom.

Recording for the Blind & Dyslexic, ... Catalog of Books, 1996 **Job and the Misrepresentation of God's Character** Troy J. Edwards, Many approach the book of Job with a number of presuppositions. God desires to test Job's faithfulness. God is controlling the actions of the devil. That God just might make you the next Job. These presuppositions demonstrate a failure to study the book of Job in the light of the full revelation of Father God found in Jesus Christ. Hence Job is misused to present God as a capricious deity. In this book we will learn how a proper study of Job shows us that Satan's plan was to discredit both God and Job. We will learn that God did not instigate Job's trials but showed the patriarch compassion by delivering him from the designs of Satan against him.

Marriages Designed In Heaven Gaylon West, 2015-01-18 The subject of marriage is a timely subject. The Bible simply defines marriage as a man takes a woman. Happiness and well being in marriage is based on a specific design. This design along with society's mores civil government expectations and ecclesiastical laws and fantasies are addressed. Jesus' message is compared and/or contrasted with Moses the Prophets the Pharisees the Apostles and Medieval church leaders. Over 40 translations of the Bible were consulted in addition to comparing the ancient Hebrew with its Greek equivalents through interlinear word studies lexicons dictionaries textual variants and scholastic articles and comments. The appendix gives the history of Christendom's changing positions on marriage divorce and remarriage.
