On the Heights Berthold Auerbach, 190? On the Heights Berthold Auerbach, 2015-11-12 Early mass was being celebrated in the chapel attached to the royal summer palace The palace stood on a slight eminence in the center of the park The eastern slope of the hill had been planted with vineyards and its crest was covered with mighty towering beeches The park abounded with maples plane trees and elms with their rich foliage and firs of various kinds while the thick clusters of needles on the fir leaved mountain pine showed that it had become acclimated On grassy lawns there were solitary tall pines of perfect growth A charming variety of flowers and leaf plants lent grace to the picture which in all its details showed evidence of artistic design and exquisite taste The paths were neatly kept The flowers were sparkling with the dews of morning birds were singing and the air was laden with the fragrant perfume of the new mown grass Swans and rare varieties of ducks from foreign lands were swimming in the large lake on the banks of which the bright hued flamingo might also have been seen The fountain in the center of the lake sent its waters to such a height that they were lost in spray A clear mountain brook running between alders and weeping willows and under many a rustic bridge emptied into the lake flowing thence through the valley until it reached the river bright glimpses of which might here and there be caught through openings in the shrubbery Tables chairs and benches of graceful form had been placed under the trees and at various points that commanded a fine prospect Seated near the chapel there was a man of impressive appearance His dress betokened scrupulous care His thick hair was as white as his cravat His eyes were blue and sparkling and full of youthful fire He looked out upon the broad landscape the valley crowded with fruit trees the near lying hills and the mountain beyond whose lines stood out in bold relief against the blue sky above He had a book in his hand but now laid it aside and drank in the peaceful influences of the scene before him **On the Heights** Berthold Auerbach, 2015-03-16 *On the Heights* from Berthold Auerbach German Jewish poet and author 1812 1882 **On The Heights A Novel Book I** Berthold Auerbach, 2024-08 *On the Heights A Novel Book I* unfolds in the picturesque Bavarian Alps painting a vivid picture of 19th century pastoral life The novel intricately explores the interplay between social class and personal ambition set against the backdrop of this culturally rich setting At the heart of the story are the complex romantic entanglements and family dynamics that define the lives of the characters The protagonist navigates a world where love and duty often conflict and personal ambitions can lead to unexpected consequences The narrative delves deeply into the psychological depths of its characters revealing their innermost thoughts desires and struggles As the characters strive to balance their aspirations with the expectations imposed by their social class the novel captures the essence of 19th century societal norms and values The idyllic setting of the Bavarian Alps serves as both a refuge and a battleground for the characters emotional and moral dilemmas Through its rich tapestry of themes and its keen exploration of human nature *On the Heights A Novel Book I* offers a profound and engaging reading experience highlighting the enduring conflicts between love duty and personal ambition On the Heights Berthold
