The Cumberland Mountain Trilogy, Volume 3 - The Sheriff of Hell's Murder Case Jack Justin Turner, 2014-12-11 The Sheriff of Hell s Murder Case is the final novel in Dr Jack Justin Turner s highly acclaimed Cumberland Mountain Trilogy With a mangled arm and with his long barreled Luger close at hand Sheriff Jacob Newton Herald must muster all the cunning and courage that saw him through The Great War to survive the sometimes savage place he calls home Jake as he is known by both friend and foe has been described as a combination of Hamlet and Dirty Harry but in this last volume Jake exhibits a quite different and endearing personality when he makes two of the most important decisions of his life Part murder mystery and part magnificent love story The Sheriff of Hell s Murder Case again demonstrates Dr Turner s powerful and insightful explanation of character and locale in a page turner that is perhaps unparalleled in modern Appalachian fiction Turner obviously knows and loves the setting and its inhabitants and puts the lie to the work of a litany of literary carpetbaggers As one reviewer put it Jack Justin Turner s voice rings so true that one might think the author is actually channeling the spirits of his early twentieth century characters Seldom does a book transport a reader so surely to another place and time Keywords Romance Revenge Action History War Kentucky Herald Fiction Iron Fist Mystery Veteran

Bogdanovich on the early years of Wayne's career when he was working as a prop man Well I've naturally studied John Ford professionally as well as loving the man Ever since the first time I walked down his set as a goose herder in 1927 They needed somebody from the prop department to keep the geese from getting under a fake hill they had for Mother Machree at Fox I'd been hired because Tom Mix wanted a box seat for the USC football games and so they promised jobs to Don Williams and myself and a couple of the players They buried us over in the properties department and Mr Ford's need for a goose herder just seemed to fit my pistol These twenty six portraits and conversations are unsurpassed in their evocation of a certain kind of great movie star that has vanished Bogdanovich's book is a celebration and a farewell **Wizard's Creed -**
