recovery is possible      *Going Within to Get Out* Anonymous Girl,2013-12-04 the minute I picked this book up I was on an emotional rollercoaster It was the most amazing journey to find myself crying one minute and laughing the next with the authors infectious wit and undeniable honesty The diary entries are so raw and vulnerable and have been written in a way that I have never experienced before I identified with many things throughout the book and found myself recalling significant events from my own adolescent years that I believed I had blocked or forgotten about At times it felt like there was nowhere to hide the words I was reading were so confronting it felt as though they were written just for me Taking this journey with the author allowed me to deal with what was coming up for me personally and move past those feelings to a place that felt good for me With every page that I read I couldn't believe how I was not only totally enthralled in the authors personal life story but that I was actually also uncovering so much about who I am as a person at my very core It allowed me to discover the parts of myself that I didn't like or accept yet and also how to recognise this in my day to day life I have now learned to accurately identify my feelings in each moment of my day and with some conscious effort also remember to be much more kind and loving towards myself I thank the writer of this book for allowing me a glimpse into her own life through courageously sharing and exposing her soul What I have gained from reading it is without a doubt the best gift anyone could ever give      *Joy in the Midst of Pain* Diane Czekala,2015-09 When Diane Czekala's daughter April died in 2011 she was just twenty three and had her whole life ahead of her Uniquely she knew she was going to die and told her mother about it three months before it happened Diane wanted to hear nothing about it but then told her IF you do die find a way to let me know you are okay After her death Diane and her husband Michael feared for April's salvation But *Joy in the Midst of Pain* recounts dramatic instances of dreams visions and prophetic inspirations that came from people across the country who knew April Each clearly confirmed to the couple their daughter was with Jesus there is life after death and it is wonderful As a minister of healing Diane also explains different types of grieving understanding the grieving process and hindrances to healing as she shares her story If you wonder about life after death are sorrowing the loss of a loved one or know someone who is *Joy in the Midst of Pain* will offer hope in Jesus and inspire you to draw near to God As Diane's story emphatically demonstrates He will get you through      ***Liahona*** ,1917      ***Living for Lezlie*** Carrie Whitehead,2020-08-05 In November 2015 author Carrie Whitehead lost her youngest child Lezlie in a motor vehicle accident She struggled with every emotion possible and at times felt she could not face the day let alone anyone in general Following the advice of many to put her feelings into words Whitehead began writing a blog in January 2019 In a series of daily posts she shared how she dealt with the loss detailing the process of her grief in real time Now she has gathered those essays together with the goal of helping others struggling after the loss of a child Through personal stories and reflections Bible verses and enduring expressions of faith she hopes to convey to grieving parents that what they are feeling is normal and that everyone experiences grief differently This personal narrative formed from a year's worth of blog posts presents a mother's journey through grief after the loss of her youngest
