of the hotel where correspondents were regularly briefed on the war and its aftermath wrote their stories had them transmitted to international media outlets and rarely neglected the pleasures of a Paris reborn until December 1 1945 when the Hotel Scribe was officially vacated by the American military

Imagining Europe: Memory, Visions, and Counter-Narratives Lars Klein, Martin Tamcke, 2015 In the course of the so called economic and financial crisis from 2008 onwards there has been a fierce debate about the role and purpose of the European Union It was led in politics and the media just as in academia The economic usefulness of the Euro has been discussed and the political implications of a fostered European unification Most often the state of Europeanization has been presented as being without alternatives no Europe without Greece no Euro without Greece no way back to the nation state in its old form As a result the debate on Europe was largely narrowed down to the very questions of the immediate crisis namely economics and finance Only a few voices held that the crisis in fact was one of politics not of economics And only late did politicians mention again that Europe is more than the EU Alternative views of Europe however were scarce and often presented full of consequences It thus came without much surprise that the lacking imaginative power of politicians as well as intellectuals was criticized The idea for this volume sprang from that situation The editors invited scholars from various disciplines to present them with ways of imagining Europe that go beyond the rather limited view of EU institutions How was how is

Europe imagined Which memories are evoked which visions explicated Which counter narratives to prominent discourses are there **Hemingway The Paris Years** Michael Reynolds, 1999-05-04 The 1920s in Paris are the pivotal years in Hemingway s apprenticeship as a writer whether he was sitting in cafes or at the feet of Gertrude Stein These are the heady times of the Nick Adams short stories and the writing of *The Sun Also Rises* also Hemingway s first marriage to Hadley Richardson the birth of his first son and his discovery of the bullfights at Pamplona Book jacket
