Henry James Complete Stories 1884 1891 Library Of America

Leonardo Buonomo

Henry James Complete Stories 1884 1891 Library Of America:

Henry James: Complete Stories Vol. 3 1884-1891 (LOA #107) Henry James, 1999-01-11 Sometimes overshadowed by his work as a novelist Henry James's short fiction is an astonishing achievement a triumph of inventiveness and restless curiosity This Library of America volume the third of five volumes devoted to his short fiction includes among its seventeen stories some of James's greatest masterpieces The Aspern Papers is a stunning novella about emotional ruthlessness in the service of literary scholarship The Pupil is a densely suggestive account of the moral perplexities underlying the relationship between an impoverished tutor and a young invalid The Lesson of the Master is an intricate study of ambition disappointment and the demands of a life devoted to art Brooksmith is a moving portrait of a house servant and Sir Edmund Orme is an enthralling ghost story In The Liar a painter attempts to force a former love to admit that her present husband is a pathological liar in The Patagonia a young man cavalierly flirts with a young woman en route to her wedding in England with disastrous consequences More than half the stories within this volume are available in no other edition LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries [Henry James and the Promise of Fiction](#) Stuart Burrows, 2023-11-09 Exploring the relationship between Henry James's ethical vision and his densely metaphorical style his experiments with narrative time and his radical reimagining of perspective this book argues that the moral issues raised by a work of fiction are as much a product of its form as of its content **The Aspern Papers and Other Tales, 1884-1888** Henry James, 2022-04-07 The Cambridge Edition of the Complete Fiction of Henry James provides for the first time a scholarly edition of a major writer whose work continues to be read quoted adapted and studied The nine tales in this volume published between 1884 and 1888 include The Aspern Papers set in Venice and featuring a devious scholar attempting to steal the letters of an American poet from his former lover and The Liar on the world of painters and their models These tales exemplify James's continuing interest in the art of short fiction during a period which saw him responding to the stimulations of French naturalism and successfully reworking the international theme that had made him famous at the end of the 1870s Extensive explanatory notes enable modern readers to understand the tales historical cultural and literary references [The Complete Letters of Henry James, 1872-1876](#) Henry James, 2008-01-01 The Complete Letters of Henry James fills a crucial gap in modern literary studies by presenting in a scholarly edition the complete letters of one of the great novelists and letter writers of the English language Comprising more than ten thousand letters reflecting on a remarkably wide range of topics from James's own life and literary projects to broader questions on art literature and criticism this edition is an indispensable resource for students of James and of American and English literature

culture and criticism as well as for research libraries throughout North America and Europe and for scholars who specialize in James the European novel and modern literature Pierre A Walker and Greg W Zacharias have conceived this edition according to the exacting standards of the Committee on Scholarly Editions This volume is the first of three to include James's letters from 1872 to 1876 *Henry James, Oscar Wilde and Aesthetic Culture* Michele Mendelssohn, 2014-10-27 This book the first fully sustained reading of Henry James's and Oscar Wilde's relationship reveals why the antagonisms between both authors are symptomatic of the cultural oppositions within Aestheticism itself *Death in Henry James A.* Cutting, 2005-08-10 Moving beyond established ideas of haunted Henry James this book argues that death is as important a concept for understanding James's fiction as gender sexuality and modernity which have come to dominate James studies Combining formal analysis and close reading with theoretical and historical approaches and focusing on key novels and tales from across James's career Andrew Cutting explores five instances of Jamesian death sacrifice the corpse morbidity afterlife and demography This is the first full length study of this subject **Critical Companion to Henry James** Eric L. Haralson, Kendall Johnson, 2009 Examines the life and writings of Henry James including detailed synopses of his works explanations of literary terms biographies of friends and family and social and historical influences *Henry James Writes New York* Leonardo Buonomo, 2024-10-30 This book offers the first full length study of Henry James's relationship with and literary treatment of New York It shows how the city whether observed or reimagined always remained an essential component of James's identity New York compelled James to confront both his status as an American born male artist and his age's prevailing notions of gender sexuality class citizenship and success Tracing James's attachment to the city and how it evolved during his lifetime this book examines a wide range of James's works from his short stories and novels to his non fiction writing *Henry James and the Poetics of Duplicity* Annick Duperray, Adrian Harding, Dennis Tredy, 2014-08-26 *Henry James and the Poetics of Duplicity* aims to advance the field of studies on the life and work of Henry James by fully exploring the author's use of duplicity one of the key literary and rhetorical strategies within the author's vast and infamous arsenal of techniques of ambiguity The collection brings together essays by both long established and more recent Jamesian scholars from eleven different countries the collective work of whom through this publication further enhances our grasp of the ever elusive literary style of Henry James The prefatory section of this volume provides a general overview of the myriad uses of duplicity in the writings of Henry James The collected essays are then divided into five sections each providing an in depth study of a particular use of duplicity as a rhetorical strategy The first three sections focus on duplicitous devices employed within James's works of fiction including the author's often underhanded use of undisclosed literary sources Duplicitous Subtexts his staging of characters who rely on subterfuge and outright lying Duplicitous Characters and his creation of doubles and doppelgangers another key connotation of the term duplicity both within a single work and throughout his literary career Duplicitous Representation The two final sections then focus the poetics of duplicity employed in works of non

fiction by James including his autobiographies and his reviews of other authors as well as in his personal writings and correspondence This includes James s guileful use of duplicity in his representation of himself particular attention being paid to James s late works of self assessment Duplicitous Self Representation as well as in his assessments of other writers in his reviews or of certain places in his travel writing Duplicitous Judgements Henry James and the Poetics of Duplicity would thus be a great asset to scholars of James at all levels from the student grappling with James s literary sleight of hand for the first time to specialists in the field of James who have long studied the masterful art of James s literary trickery

Fanny Kemble Deirdre David,2013-02-12 A ForeWord magazine Book of the Year for 2007 Charismatic highly intelligent and splendidly talented Fanny Kemble 1809-93 was a Victorian celebrity known on both sides of the Atlantic as an actress and member of the famous Kemble theatrical dynasty as a fierce opponent of slavery despite her marriage to a wealthy slave owner as a brilliantly successful solo performer of Shakespeare and as the author of journals about her career and life on her husband s Georgia plantations She was in her own words irresistible as a woman who has sat at dinner alongside Byron and who calls Tennyson Alfred Touring in America with her father in the early 1830s Kemble impulsively wed the wealthy and charming Philadelphia bachelor Pierce Butler beginning a tumultuous marriage that ended in a sensational divorce and custody battle fourteen years later At the time of their marriage Kemble had not yet visited the vast Georgia rice and cotton plantations to which Butler was heir In the winter of 1838 they visited Butler s southern holdings and a horrified Kemble wrote what would later be published on both sides of the Atlantic as *Journal of a Residence on a Georgian Plantation* An important text for abolitionists it revealed the inner workings of a plantation and the appalling conditions in which slaves lived Returning to England after her divorce she fashioned a new career as a solo performer of Shakespeare s plays and as the author of memoirs several travel narratives and collections of poems a short novel and miscellaneous essays on the theater For the rest of her life she would divide her time between the two countries In the various roles she performed in her life on stage and off abolitionist author estranged wife Kemble remained highly theatrical appropriating and subverting nineteenth century prescriptions for women s lives ever rewriting the roles to which she was assigned by society and inheritance Hers was truly a performed life and in the first Kemble biography in twenty five years to examine that life in its entirety Deirdre David presents it in all its richness and complexity

Henry James Framed Michael Anesko,2022-10 *Henry James Framed* is a cultural history of Henry James as a work of art Throughout his life James demonstrated an abiding interest in some would say an obsession with the visual arts In his most influential testaments about the art of fiction James frequently invoked a deeply felt analogy between imaginative writing and painting At a time when having a photographic carte de visite was an expected social commonplace James detested the necessity of replenishing his supply or of distributing his autographed image to well wishing friends and imploring readers Yet for a man who set the highest premium on personal privacy James seems to have had few reservations about serving as a model for artists in other media and sat for his portrait

a remarkable number of twenty four times Surprisingly few James scholars have brought into primary focus those occasions when the author was not writing about art but instead became art himself through the creative expression of another s talent To better understand the twenty four occasions he sat for others to represent him Michael Anesko reconstructs the specific contexts for these works coming into being assesses James s relationships with his artists and patrons documents his judgments concerning the objects produced and insofar as possible traces the later provenance of each of them James s long established intimacy with the studio world deepened his understanding of the complex relationship between the artist and his sitter James insisted above all that a portrait was a revelation of two realities the man whom it was the artist s conscious effort to reveal and the artist or interpreter expressed in the very quality and temper of that effort The product offered a double vision the strongest dose of life that art could give and the strongest dose of art that life could give Race, Politics, and Irish America Mary M. Burke,2022 Considers three centuries of writers and creatives of mostly Scots Irish and post Famine Irish descent whose work examines moments of entwined racial social and political transformation for those of that identity in America *Womanhood in Anglophone Literary Culture* Robin Hammerman,2009-03-26 Taken together the fourteen essays in this collection contribute to the discourse of social conditions for literary women The essays examine relevant social intellectual and professional questions about the ways in which women writers contributed to conceptions of womanhood in nineteenth and twentieth century Anglophone literary culture Contributors to this collection describe and examine several nineteenth and twentieth century women writers responses to patriarchal assumptions about literary merit in genres including poetry and fiction *Womanhood in Anglophone Literary Culture* Nineteenth and Twentieth Century Perspectives will be of special interest to students and faculty of women s studies and literature written in the English language **Studies in Victorian and Modern Literature** William Baker,2015-07-29 This book is both a celebration of the life and career of the eminent literary scholar critic and journalist John Sutherland and an extension of Sutherland s work in various fields including nineteenth and twentieth century Anglo American literature the publishing industry and its impact upon creativity and literary puzzles With contributions from over twenty five distinguished critics literary journalists and scholars this book goes beyond merely describing Sutherland s work The essayists pay homage to Sutherland while also staking their own critical scholarly claims From investigating the publishing dimension Victorians major and minor the complexities of Dickens and George Eliot the archeology of *Pride and Prejudice* to examining the implications of Shakespearean souvenirs literary puzzles and Non Victorians the essays offer fresh dimensions to Sutherland s rich career as a professor critic and journalist **Frantic Panoramas** Nancy Bentley,2012-05-23 Late nineteenth century America saw an explosion in mass culture from sensationalist tabloid newspapers to amusement parks to Wild West shows Historians and critics have traditionally observed the advent of mass culture as undermining literature s central role in the public sphere Literary writers of the time either reacted with a public show of disdain or retreated to conduct their own private

experiments in style and form In *Frantic Panoramas* Nancy Bentley questions these narratives of opposition For literary writers Bentley explains the confrontation with mass culture was less a retreat than a transformation an ordeal through which habits of contemplative appreciation could be refashioned into new forms of critical thought By grappling with the energies that marked mass culture authors came to recognize kinds of human experience that were only then becoming visible as public William Dean Howells shaped the plots of his novels around tabloid events like rail and trolley accidents and the public chaos of apartment house fires Although Henry James was distressed at the way dime fiction had changed the very definition of literature his meditations on mass culture led him to reimagine the novel as a collective workshop in which authors and readers jointly discovered new meaning Bentley offers close readings of these and other writers such as Edith Wharton James Weldon Johnson Pauline Hopkins and Gertrude Bonnin to demonstrate how leading artists took inspiration from commercial culture to create new and distinct literary forms Drawing on original archival research and a historically grounded theory of realism *Frantic Panoramas* is an innovative and comprehensive study of how the emergence of mass culture affected literary culture in America [Encyclopedia of the British Short Story](#) Andrew Maunder,2015-04-22 Provides a comprehensive reference to short fiction from Great Britain Ireland and the British Commonwealth featuring some of the most popular writers and works

Places of Mind Timothy Brennan,2025-09-23 A New York Times Book Review Editors Choice The first comprehensive biography of the most influential controversial and celebrated Palestinian intellectual of the twentieth century As someone who studied under Edward Said and remained a friend until his death in 2003 Timothy Brennan had unprecedented access to his thesis adviser s ideas and legacy In this authoritative work Said the pioneer of postcolonial studies a tireless champion for his native Palestine and an erudite literary critic emerges as a self doubting tender eloquent advocate of literature s dramatic effects on politics and civic life Charting the intertwined routes of Said s intellectual development *Places of Mind* reveals him as a study in opposites a cajoler and strategist a New York intellectual with a foot in Beirut an orchestra impresario in Weimar and Ramallah a raconteur on national television a Palestinian negotiator at the State Department and an actor in films in which he played himself Brennan traces the Arab influences on Said s thinking along with his tutelage under Lebanese statesmen off beat modernist auteurs and New York literati as Said grew into a scholar whose influential writings changed the face of university life forever With both intimidating brilliance and charm Said melded these resources into a groundbreaking and influential countertradition of radical humanism set against the backdrop of techno scientific dominance and religious war With unparalleled clarity Said gave the humanities a new authority in the age of Reaganism one that continues today Drawing on the testimonies of family friends students and antagonists alike and aided by FBI files unpublished writings and Said s drafts of novels and personal letters *Places of Mind* synthesizes Said s intellectual breadth and influence into an unprecedented intimate and compelling portrait of one of the great minds of the twentieth century

The Moral Panics of Sexuality B. Fahs,M. Dudy,S. Stage,2013-09-12 A

provocative feminist analysis of the moral panics of sexuality this interdisciplinary edited collection showcases the range of historical and contemporary crises we too often suppress including vagina dentata vampires cannibalism age appropriateness breast cancer menstrual panics and sex education **The Bildungsroman in a Genocidal Age** Ned Curthoys, 2024-02-08

The Bildungsroman in a Genocidal Age argues that the humanist ideal of Bildung the cultivation of the potentialities of the self through self reflection travel and varied social intercourse has been revitalized in an age of genocidal violence It examines the Bildungsroman as a flourishing intermedial genre encompassing contemporary historical fiction historical feature films and children s and YA literature Analysing a number of highly influential novels and films about the Holocaust and World War II WWII the book argues that the narrative strategies of the Bildungsroman which includes a swerve away from home and its parochialism and moral certainties has contributed to shaping audience perceptions of traumatic histories and their ethical implications in the twenty first century The Bildungsroman in a Genocidal Age examines some of the most keenly discussed and controversial historical fictions of recent decades including The Remains of the Day 1989 The Kindly Ones 2006 English trans 2009 The Boy in the Striped Pyjamas 2006 and Margarethe von Trotta s biopic Hannah Arendt 2012 It argues that in portraying a protagonist who defers or refuses a prescribed social destiny these novels and films are sensitive to the Eichmann problematic of the banality of evil as formulated by Hannah Arendt These Bildungsromane the study suggests are designed to address the problem of the social reproduction of normative unimaginative and conformist mindsets that can enable totalitarian politics and genocidal policies **Henry James and the Art of Dress** C.

Hughes, 2001-01-29 Henry James was fascinated by clothing and dress This book examines for the first time the role of dress in reinforcing thematic and symbolic patterns in James s fictional world Hughes traces a development from the significance of dress in discussion of the American Girl in the early works through dress as an indicator of social position to the emergence of the more unstable and threatening aspects of dress which culminate in the strange case of the coat of changing colours in The Sense of the Past

Unveiling the Power of Verbal Beauty: An Mental Sojourn through **Henry James Complete Stories 1884 1891 Library Of America**

In some sort of inundated with screens and the cacophony of quick connection, the profound energy and psychological resonance of verbal art often fade into obscurity, eclipsed by the continuous assault of sound and distractions.
