Shaman Pathways - Trees of the Goddess Elen Sentier, 2014-07-25 Shaman artist and author Elen Sentier writes I was first taught the trees of the goddess as a child The old ones from the village would tell us about the tree how it lives what creatures it lives with its whole environment They would tell us stories then we would go to the tree and sit with it listen to what it had to show and tell us

Later we would ask it for a piece of its wood to make its spirit home These were rituals but all so natural and normal they were just a part of life and living for me as I grew up TREES OF THE GODDESS will help you find your way of doing this
