Women comprise at least half the world and usually more than half the church but so often Christian teaching to women either fails to move beyond a discussion of roles or assumes a particular economic situation or stage of life This all but shuts women out from contributing to God s kingdom as they were designed to do Furthermore the plight of women in the Majority World demands a Christian response a holistic embrace of all that God calls women and men to be in his world The loudest voices speaking into women s lives in the twenty first century thus far come from either fundamentalist Islam or radical feminism And neither can be allowed to carry the day The Bible contains the highest possible view of women and invests women s lives with cosmic significance regardless of their age stage of life social status or culture Carolyn Custis James unpacks three transformative themes the Bible presents to women that raise the bar for women and calls them to join their brothers in advancing God s gracious kingdom on earth These new images of what can be in Christ free women to embrace the life God gives them no matter what happens Carolyn encourages readers with a positive kingdom approach to the changes challenges and opportunities facing women throughout the world today **Lioness Arising** Lisa

Bevere,2011-09-06 An irresistible call for Christian women to live boldly and fully into their God given wisdom power and capabilities The lioness rises from her slumber a magnificent image of strength passion and beauty Her mere presence commands the landscape protects her young and empowers the lion In groups lionesses become a creative and strategic force to be reckoned with acting as one to change the world around them You too are a lioness In Lioness Arising author and speaker Lisa Bevere offers the life and image of the lioness as a fierce and tender model for women Revealing the surprising characteristics of this amazing creature Lisa challenges women to discover fresh passion prowess and purpose Learn what it means to be a stunning representation of strength fiercely protect the young lend your voice to the silenced live in the light and hunt in the dark raise a collective roar that changes everything Packed with remarkable insights from nature and a rich depth of biblical references to lionesses Lioness Arising is a call for women to rise up in strength and numbers to change their world Jesus is after all the lion of the Tribe of Judah We are his lioness arising **Women's Rights in the United**

Suffering and the Vulnerable Rule of God Kathleen McManus, OP, 2022-04-25 How is the reign of God revealed through the suffering experience of women and the marginalized That is the question Kathleen McManus seeks to answer She employs the Lukan image of the bent over woman standing up straight as the paradigm for all who are marginalized because of gender sexual orientation or race Her viewpoint arises from encounters with individuals and communities who suffer exclusion negation diminishment and violence in relation to a patriarchal church in a still patriarchal world Engaging Edward Schillebeeckx's method of negative contrast experience McManus explores what may be known in the space of encounter between the institutional church and these suffering others and draws out latent possibilities for mutual conversion and transformation She reflects on the meaning of Schillebeeckx's insight into the superior power of God's defenseless vulnerability in creation and on the cross and asks what it might mean for the church to embody the vulnerable rule of God in its own structures doctrines symbols and rituals
