Heavenly Army of Angels Bob Lord, Penny Lord, 1991-09 Bob and Penny Lord focus on the reality of Angels contending that we are surrounded and protected by these heavenly beings dispatched by God to preserve and empower us

Engaging Heaven's Army Ron Wood, 2016-09-25 Engaging Heaven's Army is filled with Bible explanations and testimonies of angels working with us when we pray rightly I relate prophetic dreams about angels operating on earth in this era I explain some things our Lord Jesus referenced in the Gospels about the activity of angels at the end of the age God's angels are already here and more are arriving They watch and listen Angels pay attention and intervene on our behalf They're frightening to see but they're on our side Angels are warriors in God's army with authority and power licensed to kill Angels have changed the course of human history Angels are on patrol to watch over certain nations They intervene in elections I tell about my experience when that happened to some of us These messengers of God give us dreams or visions They speak their own language but they can also communicate with us Angels of the Lord confirm the authority of Jesus in ambassadors of His kingdom especially apostles and prophets as they declare God's word Angels are God's enforcers Engaging Heaven's Army is filled with stories of angels helping us It includes instructions for praying so as to gain their attention It has illustrations from the Bible and world history of angels acting at key moments to turn the tide in favor of God's people I offer practical personal help as I tell my experience overcoming frustration I've included steps I learned for believers to remove blockages to effective praying so we can be accountable for real results I explain how to work with the Lord in order for His kingdom to come on the earth as it is in heaven I deal with some big issues too We need to know that authority is useless if no power is enforcing it The Holy Spirit helps us pray and say the right things He really is our Helper I explain how prophetic prayers and apostolic decrees can operate through Christians to bring heaven to earth Angels
