What are we here for?

One of the most fundamental questions asked in the world is that of "What is the purpose of life?" This question has been asked for centuries and has been answered in many different ways. Some people believe that the purpose of life is to live a good life, to be happy, and to be successful. Others believe that the purpose of life is to serve God, to be a good person, and to be a good citizen. Still others believe that the purpose of life is to be a good person, to be a good citizen, and to be a good person.

There are many different answers to this question, and each answer has its own merits and drawbacks. However, this answer is not always the best one. For example, if you live a good life, but you are not happy, then you are not living a good life. And if you are not happy, then you are not living a good life. So, while this answer is a good one, it is not the best one.
