[The Hunting of Hillary](#) Michael D'Antonio, 2020-07-28 The Pulitzer Prize winning reporter traces how an industry of lies was created to persecute Hillary Clinton thoroughly researched and incisive Kirkus Reviews A pioneer for women Hilary Clinton was burdened in ways no male politician ever was Maligned by an avalanche of sexist insults and baseless accusations she couldn t call out her right wing attackers lest she be cast as weak and whiny Nevertheless she persisted And her many achievements in politics and policy are all the more remarkable for the unprecedented smear campaign that attempted to stop her The 2016 presidential election can only be understood in the context of the primal and primitive response of those who just couldn t imagine that a woman might lead For those who seek to understand the experience of the most accomplished woman in American politics The Hunting of Hillary offers insight For those who recognized what happened to her it offers affirmation And for those who hope to carry Clinton s work into the future it offers inspiration and instruction I m biased But I think Michael D Antonio s book cataloging decades of right wing misogyny and mythmaking is a stunner Hillary Clinton

Pardongate Mark Hyman,2020-06-30 Bill Clinton's abrupt departure from long standing precedent was an astonishing abuse of the Justice Department processes and underscored the shady wheeling and dealing that was common in the Clinton orbit Bill Hillary and brothers Roger Clinton Hugh Rodham and Tony Rodham all profited financially or politically from hustling dozens of pardons to some of history's most undeserving recipients These ranged from worldwide pariah Marc Rich to a cocaine trafficking kingpin to murderous terrorists who hadn't even requested executive clemency A third of the final day pardons bypassed Justice Department review and went straight to Bill for approval Dozens of recipients hadn't even filed a petition In the final hours of Bill Clinton's last day in office the pardon attorney was frantically preparing paperwork for recipients whose names were misspelled or whose addresses were unknown It was a free for all The brothers were paid hundreds of thousands of dollars to privately lobby Bill for pardons some of which never materialized But the brothers were still paid Hillary collected political and financial IOUs she later cashed in when she sought political office For most of his presidency Bill was one of the stingiest presidents of all time when it came to the awarding official forgiveness to felons but the pardon floodgates opened when Hillary began her run for the US Senate It was the selling of pardons for money and influence that launched the Clintons nearly two decade pay for play scheme a scheme that not only amassed billions of dollars for the Clinton Foundation and hundreds of millions of dollars for the Clintons but also catapulted Hillary into a presidential front runner Pardongate reveals details of the Clinton machine that will leave even the most informed citizens appalled

Hillary Rising James D. Boys,2016-01-26 On 12 April 2015 Hillary Clinton formally announced her intention to run for President in 2016 casting herself as the champion of everyday Americans With near universal name recognition and the promise to make history as the first female occupant of the Oval Office all seems set for Hillary to secure the one role that has eluded her to date but what drives this most intriguing and polarising of political figures Will she be able to shake off her past mistakes and finally secure the Democratic Party's nomination What are her chances of winning the White House And perhaps more importantly what kind of President would she make Drawing on original interviews with close associates of both Bill and Hillary as well as a wealth of recently declassified materials from the Clinton archive James D Boys offers a clear sighted non partisan analysis of Hillary's rise to the pinnacle of American power revealing the political ideology and core principles that have remained a constant throughout

self interest cronyism and fear More than ever Bill Clinton s candor and success in adversity warrant revisiting during this age of a closed door administration and governmental incompetence The Clinton Charisma is a fascinating prescriptive guide that reveals the former president s complex leadership techniques including his attention to public opinion his ability to take quick corrective action and his efficient damage control in the face of political and personal difficulty From diversity to decisiveness from consensus to compromise each chapter explores how Clinton employed important leadership principles and the ways in which they were or were not effective The author asks in the introduction Are there lessons to be learned from his time in office from his damage control strategies from his ability to implement diversity or from his decision making process The answer as Donald T Phillips s The Clinton Charisma makes compellingly clear is yes **Servitors of Empire** Darrell Hamamoto,2014-08-01 Forcing a fundamental rethinking of the Asian American elite many of whom have attained top positions in business government academia sciences and the arts this book will be certain to generate a good deal of controversy and honest discussion regarding the role Asian Americans will play in the new century as China and India loom ever larger in the world economic system Not since the large scale infusion of scientists and engineers fleeing Nazi Germany has there been such a mass importation of intellectual labor from U S client states in Asia One of the specialized tasks assigned to this group is to build the technetronic infrastructure for the new world order command and control system Servitors of Empire is not intended to fan the flames of suspicion and paranoia aimed at Asian Americans but serves to illuminate the way in which highly trained knowledge workers are being employed to bring sovereign nations such as the United States under centralized rule made possible through advances in bioscience IT engineering and global finance

[America Hijacked](#) S M Carlson,2019-02-03 All throughout recorded history politicians have taken bribes from outside parties to push certain agendas either profiting themselves or helping others profit through illicit and illegal actions We know this common practice is wrong and yet we all tend to look the other way Before examining these actions should we look at the commonalities Just how did Deep State actors from LBJ to Obama hijack the country that we love How did the Clinton Foundation and the Bush Foundation change the course of American domestic politics and international policy On the surface it may seem as though the course of history has diverted and deviated from the path throughout our time as a nation but who is leading the ship Who is in control And more importantly why What are their motives As ordinary Americans we are the ones who suffer from the repercussions Let s take a deeper look into the Clintons the Bushes Kennedy Johnson and even Donald Trump himself to see just how the Deep State has impacted the world we love and the country we love Motivated by money and power Deep State actors grasped control of this country long ago and since the election of Donald Trump they ve been grabbing and grasping for any last shred of power that they once held over us Understanding how these actors received their power is critical in understanding why they abused it Through [America Hijacked](#) we ll take a critical look into the policies and practices of nearly every administration up until modern day to see just how the Deep State came to be and how they hijacked America for their own personal benefit So where does the issue lie It lies in the fact that when our elected representatives use their status and political power to cover up crimes and purposefully make conscious unlawful decisions that impact the lives of ordinary Americans they hijack our country our principles and everything that we stand for all for the profit and political gains of the few This is the Deep State
