Hello Handsome Caity H:

Hello, Handsome Caity H, 2015-12-13 Honeybee and Lex are back and ready to rock this sequel business. When we first met Olivia, nicknamed Honeybee, and Lex, we heard the story from Olivia's point of view. But that all stops today. Lex Diamond is taking over the narration. Say hello to Handsome. Our will-they-won't-they couple starts the book on the verge of adulthood. You read that right, ladies and gents. Lex Diamond is going to college. But he will soon realize that moving out is not as freeing as he hoped. College means more homework, more intense soccer practices, and way more heart-to-hearts about his love life than he'd like. Despite the fact that everyone around him seems to be saying Honeybee is the one for him, Lex can't see it. It might take a blow to the face for him to finally see what everyone else does, and even then, what if he's too late? Join Lex in the next phase of his life as he struggles to balance his new responsibilities as narrator. Watch him flounder around other women, help bandage him up after a beating, and cross your fingers as he navigates his relationship with Honeybee. He'll need all the luck he can get.
