Preaching and Professing Ralph C. Wood, 2009-01-30 Testifies to the presence of God as both our post earthly hope and our present world existence These thought provoking sermons by Ralph Wood a layman who has taught religion and literature for many years seek to till new soil in the fertile field of Christian faith and life They draw on a wide range of reading not only in Christian theology but also in both classical and contemporary literature and culture And they also mine Wood's own professorial and personal experience in dealing with both the old and the young amid the chances and changes of life Wood squarely engages the American culture of death by wrestling with such vexing questions as sexuality and marriage war and peace abortion racial injustice and abuse of the elderly By grounding his homilies in specific times places and quandaries Wood demonstrates that Christianity remains a vigorous set of doctrines and morals precisely as preaching and ethics give shape to our worship and living in the here and now Focusing not so much on our getting to heaven Wood's *Preaching and Professing* shows concretely how the gospel gets heaven into us

Crockett Jr.,2015-03-02 What would Jesus do if He visited your college campus Walk around Read books and drink coffee Or would He preach the Gospel As Christians we are called to bring the truth of God and everything the Lord has taught us to the people around us At times this may be difficult because of our lack of biblical teaching on evangelism This book is designed to show people how simple it is to fulfill the Great Commission even in their daily lives As an individual is led by the Holy Spirit power and deliverance are brought forth in mighty ways and the fire of God is displayed Evangelism does not have to be a burdensome act rather an enjoyable adventure with Jesus Whether you are a new believer or a world renowned evangelist the teachings in this book are simple yet profound Everything from tracts to open air preaching is discussed while referencing the scriptures A successful soldier has proven techniques for battle and so should we if we are to be successful evangelists Not only for college students this book can be used by anyone that so desires to spread the Good News of God's salvation By the grace of God may we all listen and obey the words of the apostle Paul and do the work of an evangelist *America's Centenarians* ,1963 *America's Centenarians* United States. Social Security Administration,1963 *True Latter-Day Saints' Herald* ,1902 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints The Story of Narrative Preaching Mike Graves,2015-03-02 Forty years ago the one thing that could be said about sermons was they were biblical Unfortunately they were sometimes tedious too Narrative preaching aimed to fix that advocating for a dynamic experience of the text over against a static lecture Preaching could be like the parables of Jesus intriguing and compelling The Story of Narrative Preaching is the story of seven students who are enrolled in Professor Freeman's preaching course Once a new trend narrative preaching is now older than most of them As Professor Freeman notes two things went wrong with narrative styles over time the church became biblically and theologically illiterate and the promised stress on experience didn't always measure up to the weight of the gospel Readers are invited to sit in on the class to reflect on the expositional nature of preaching and to experience the stories of some modern storytellers Flannery O'Connor Alice Walker and others to see what they might teach us about narratives of depth In the end we discover what may be the most important word in preaching
