McRay,2015-12-09 Myriad works discuss forgiveness but few address it in the prison context For most people prisoners exist out of sight and out of mind Their stories are often reduced to a few short lines in news articles at the time of arrest or conviction But what happened before in the lives of the convicted What has happened after How have people in prison dealt with the harm they have caused and the harm they have suffered What does forgiveness mean to them What can we outsiders learn about the nature of forgiveness and prison from individuals who have both dealt and endured some of life s most painful experiences Expanding on his MPhil dissertation *Echoes from Exile* with Distinction from Trinity College Dublin Michael McRay s important new book brings the perspectives and stories of fourteen Tennessee prisoners into public awareness Weaving these narratives into a survey of forgiveness literature McRay offers a map of the forgiveness topography At once storytelling academic activism and

cartography McRay's book is as necessary as it is accessible. There is a whole demographic we have essentially ignored when it comes to conversations on forgiveness. What would we learn if we listened? **Moving Free** Deb Vaughan

Ritter, 2017-07-07 Inspired by her mother's final declaration that she must move free, Deb Vaughan Ritter embarked on a remarkable journey of awakening. She felt compelled to share what she had learned in order to illuminate others' paths. Utilizing the metaphor of a challenging mountain hike, Deb fearlessly chronicles her trek and guides you on your own ascending journey with her poignant and humorous stories, original poetry and mantras, and sage advice. She encourages you to explore your life and integrate into it the mysteries of moving free. The grounded yet uplifting tenets in this book are accessible to all, whatever your age, stage in life, or belief system. Deb writes in a way that meets you where you are, without judgment, and urges you to move free, right here, right now. As you join her on this trail, you will learn to navigate your challenges with courage and hope, ascend towards your personal peaks, and enjoy your daily hike. As you absorb these principles into your life, you'll gradually begin spiraling up toward the life, relationships, and career of your dreams. For years, I tried to go under, over, and around the nagging issues I was experiencing in my life. The same issues kept showing up. I felt trapped under a very dark cloud in the personal, financial, career, and relationship aspects of my life. The one common denominator was me. With Deb's coaching, insights, mantras, poems, and patient encouragement, I learned to face my issues with peace and hope. As a result, I have changed my life dramatically. As my outlook, actions, and expectations improved, I began manifesting better outcomes and relationships. I began feeling more peaceful and free. With Deb's guidance, you too can begin moving free. No matter what your current circumstances, if you are willing to learn and grow, her light and insights will transform you, allowing you to reach new heights. Yes, I was married and

divorced three times, and each divorce I asked for my maiden name back. I am a mother of two daughters and have eight adult grandchildren and three great granddaughters. I'm taking this time out in my life to write my story because there are so many children and adults crying out for help. They cannot afford Dr. Phil or Oprah or trust anyone enough to talk to them. At one point in time, I tried to reach out to both of them and hit a dead end each time. I always wondered how people get in touch

with them Twenty five or more years ago I started writing Oprah a letter when she had Ms Erica Kane and all of the All My Children husbands on her show with her the letter turned into a book So I never tried to send it I called it Will the Real Erica Kane Please Stand Up All the Men I Loved Not who loved me because I really can't tell who loved me My journey took me to hell and back Through all of my trials and tribulations I had to come back to Jesus When he said I will never leave nor forsake you he meant just that It gets hard sometimes to believe it but when you keep hitting a brick wall and facing death in the face so many times you start wondering why am I still here It's not as though we can stand in a line and pick our race or our mother and father Wow Would life be any different Believe me it's only by the grace of God that any of us are still here We all have a purpose for being on this earth My belief is my purpose is to encourage others to believe in yourself and trust that God really does have your back no matter what the devil throw your way As the song says He paid it all Meaning Jesus paid for all of our sins and I thank him for allowing me to be alive long enough to acknowledge that So here's my story

in numerical analysis newton s method also known as the newton raphson method named after isaac newton and joseph

raphson is a root finding algorithm which produces successively better approximations to the roots or zeroes of a real valued function the most basic version starts with a single variable function  $f$  defined for a real variable  $x$  the function  $s$  derivative  $f'$  and an initial guess  $x_0$  for a root of  $f$  if the function satisfies sufficient assumptions and the initial guess is close
