*History of Photography in Canada, Volume 1* Martha Langford,2025-09-22 From early reports of the invention to its wide  
application during World War I the idea of photography created anticipation and participation in the modern world The first  
volume of A History of Photography in Canada captures this phenomenon by looking at hundreds of photographs generated  
in and about Canada in the making and by listening to the chords they struck in the collective imagination Emphasizing  
technological readiness and cultural eagerness for the medium Martha Langford shows how photography served ideals of  
progress and improvement as Canada s settler society looked to master the world by seizing its visible traces The imposition  
of these programs on Indigenous Peoples and indentured labourers is confronted throughout this volume which offers both  
narratives and counternarratives of subjectification Reproducing images of people places events and objects from the  
unceded territories of the First Nations Inuit and M tis from British North America and from the Dominion of Canada and the  
Dominion of Newfoundland Langford asks where and when photographs were taken why and by whom How did the making  
and preservation of a photograph alter the circumstances in which it was produced and how did this affect individual and  
collective consciousness Alongside accomplished portraits landscapes still lifes and their vernacular counterparts the book  
draws glimmers of photographic experience from treatises and doggerel official reports and personal diaries newspapers  
magazines letters and travelogues Anticipation to Participation chronicles eight decades of reinvention and repurposing from  
a wondrous discovery to the wide adoption of a basic tool for knowledge gathering artmaking and journaling Langford s  
sweeping narrative rewrites the history of photography from the bottom up vividly expanding the definition of photographic  
experience      The Canadian Magazine of Politics, Science, Art and Literature ,1912      Nor-west Farmer for the
